City Budget Draft Calls For Rate of Forty-five Mills

After Usual Major Deductions, Unpruned Estimates Foreshadow Jump in Rate; Reduced Assessment Big Factor in Boost

To meet expenditures estimated for next year in the preliminary draft of Victoria's 1936 budget, after providing for borrowing from the provincial government to finance unemployment relief, foregoing sinking fund installments and refunding serial debentures, the city will have to set a rate of over forty-five mills.

That fact was shown in the budget draft completed by D. A. Macdonald, city comptroller-treasurer for submission to the City Council at its meeting this evening.

No provision was made in the draft for the use of the city's \$100,000 loan to reduce the current levy.

As the draft now stands, estimated expenditures are set at \$2,830,537.66 and estimated receipts from sources other than the current taxes are \$932,050.23.

From the net \$1,898,487.43 to be raised by taxes is deducted the annual fixed payment by the Empress Hotel of \$10,000, leaving a figure of \$1,888,487.43.

EXPENDITURES UP

The 1935 budget, when finally passed, called for a levy of \$1.572-195.56, a figure \$316,587.74 under the unpruned requirements for 1936, according to the preliminary draft.

The difference is largely attributed to the fact the city used \$50,000 from the surplus earnings of the sinking fund for general purposes this year, decided not to pay the annual installment of \$254,557.68 towards the sinking fund and started the year with a (Turn to Page 2, Col. 4.)

MAY LICENSE ALL BICYCLES

Police Chief Considers Plan to Keep Check on Stolen Machines

As a means to combat numerous recent thefts in which police have experienced difficulty in locating machines owing to lack of proper identification marks, Chief of Police Heatley is considering a plan to recommend licensing of bicycles operated in Victoria.

The proposal has been under consideration by the chief for some time and he has made inquiries in Prince Albert, Sask., where the licensing plan now operates with satisfaction.

The plan is to charge an annual fee of about twenty-five cents to cover the cost of licensing the machines which would be done by means of a die. All cyclists would be required to register their machines with police every year and a complete record of all bicycles would be kept by police. The licensing would not be operated for revenue.

The numbers would not be changed but would be reissued annually. There would be a small penalty for failing to comply with regulations.

In this manner the chief states police could keep a thorough record of all machines and when bicycles are found without owners they could immediately be located by reference to the records. While all bicycles are numbered by manufacturers now, police have no record of these.

The chief will recommend the plan to the City Council for consideration.

Mother Held For Shooting And Wounding Son

While Jesse Livermore Jr. (right), fifteen, son of the Wall Street operator, lies in a hospital at Santa Barbara, Cal., his mother, Mrs. Dorothea Livermore (left), a divorcee and for years accustomed to wealth, is held in the county jail in that city. She admitted firing the 22 rifle bullet which lodged near the boy's spine early last Friday after a Thanksgiving Day drinking party. The boy, in a critical state for days, was reported slightly improved to-day. He said he did not blame his mother for her act, described as done in protest against his drinking liquor.

ETHIOPIA SEEKS LOAN IN LONDON

Canadian Press from Havas London, Dec. 2.—Reports were current to-day in usually well-informed quarters that Emperor Haile Selassie was seeking a loan in Britain.

Seeking money to carry on its defence against Italian invasion, the Ethiopian government was said to be prepared to give its security bonds of the Addis Ababa-Djibouti railway.

ETHIOPIANS LEAVE HARAR

Emperor's Troops Evacuate Eastern Town to Spare Civilians Plane Bombing

Associated Press Geneva, Dec. 2.—The Ethiopian government informed the League of Nations by cable to-day that all Ethiopian troops were leaving Harar, important eastern city of Ethiopia.

The government said the city would be used in the future solely as a centre for the care of the wounded and for civilians.

By this step, the Ethiopians hope to avoid a disastrous aerial bombing by the Italians.

BIG FORCES TO ATTACK

Addis Ababa, Dec. 2.—Combined Ethiopian armies totaling 400,000 men were reported to-day as ready to attack the Italian forces in northern Ethiopia, perhaps at dawn to-morrow.

This concentration of warriors was indicated in reports reaching Addis Ababa from the northern front.

It was said that Emperor Haile Selassie, now in Dessay, was believed to be preparing to go to the north to meet his two lieutenants in the field, Ras Seyoum and Ras Kassa.

Their combined forces, then, would attack the Italians entrenched along the Makale-Ankole line.

Initiative Not Canada's Says Ottawa, But British Expect Embargo On Italy

Suggestion Made at Geneva November 2 by Dr. Walter A. Riddell, Canadian Delegate, That League Sanctions Be Extended to Oil and Steel Was His Own Personal Proposal, Not Canada's Official Plan, Says Acting-Prime Minister Lapointe; British Support of Scheme Not Weakened, It Is Reported

Much Discussion In British Press

Canadian Press Ottawa, Dec. 2.—Canadians to-day were attempting to appraise the international situation created by the government's announcement yesterday evening that its permanent representative at Geneva, Dr. W. A. Riddell, had not spoken for Canada, but was merely voicing his own suggestion when he proposed on November 2 that sanctions against Italy should be extended to include oil.

In a lengthy statement, issued by acting Prime Minister Ernest Lapointe, it was set forth that Canada "was not taking the initiative" in urging the imposition of oil sanctions.

Mr. Lapointe's announcement set forth that press dispatches which cited Canada as taking the initiative in the extension of economic sanctions to embrace coal, oil, iron and steel, were "due to a misunderstanding."

Many Victorians are acquainted with Canada's permanent representative at Geneva as a result of several visits he has made to the city in recent years. On his last visit some months ago he addressed the Women's Canadian Club and other audiences.

British Cabinet in Lengthy Session

Associated Press London, Dec. 2.—Authoritative sources predicted to-night, following a three-hour session of the British cabinet, that the League of Nations will place an embargo on all shipments of oil to Italy by League states.

Whether this suggestion was agreed on by the cabinet was not officially disclosed, however, as it adjourned without announcing its decision.

It was understood the cabinet considered the oil proposal suffered nothing from the statement of Canada's acting Prime Minister, Hon. Ernest Lapointe, that the Dominion Government was not responsible for initiating the movement to impose an oil embargo.

It was the first full meeting of the ministers since the general election returned the National Government to power.

CHIEF QUESTIONS

Prime Minister Stanley Baldwin and his colleagues confronted several considerations:

1. Would the United States join in closing its market to Italy, should the League states institute the oil embargo?
2. Would the Italian Government consider a stoppage of oil—essential for its military operations in East Africa—a form of blockade, leading to more serious complications in the already tense Anglo-Italian relations?
3. What effect would oil sanctions have on the joint Anglo-French efforts to work out a solution of the Italo-Ethiopian crisis?

By GEORGE HAMBLETON
Canadian Press Staff Writer

London, Dec. 2.—The British Government's attitude toward the proposed oil embargo against Italy remains unaffected by the statement issued at Ottawa yesterday by Acting Prime Minister Ernest Lapointe, the Canadian Press was authoritatively informed to-day.

The oil embargo, it was explained, will be considered purely on its merits as a means of bringing the East African war to an end on terms satisfactory alike to the League of Nations, Italy and Ethiopia.

New Basis Found For Canada-Japan Treaty of Trade

Agreement Reached in Principle on Proposals Made by Premier King, Says Canadian Press Dispatch From Tokyo

By PERCY WHITEING
Canadian Press Correspondent Tokyo, Dec. 2.—The Japanese government is favorably considering Canadian proposals to end trade differences between the two countries and an agreement has been reached in principle, according to authoritative sources at the Foreign Office here.

Prime Minister King, it was learned, has proposed to the Japanese minister in Ottawa that if Japan would cancel her imposition of the prohibitory tariff of 50 per cent on Canadian goods, Canada would also cancel the similar surtax of 33 1-3 per cent and at the same time meet to a large extent the Japanese requests for more favorable treatment of Japanese goods entering the Dominion.

The latter concessions, this correspondent learns, would be:

1. Applying the Canadian dumping duty against Japanese goods only when similar goods are made in Canada in commercial quantities, instead of as at present when it is imposed.

BOY IN ICED CAR TEN DAYS

Associated Press Baltimore, Dec. 2.—A fourteen-year-old youth was taken encoined and half frozen to-day from an ice packed refrigerator car in which he said he had been locked for ten days without food. He identified himself as Glenn Hoidal of Motley, Minn.

Both his feet were frozen, and he was helpless from cold and hunger. Physicians said, however, he probably would recover.

The youth told the officers he crawled into the lettuce car with five other boys at Ballina, Calif., on November 22. He fell asleep, he said, and when he awoke the others were gone and he was locked in.

Terrified, he said, he cried out and beat on the walls of the car, but it was no use, he could attract no one. Finally, he said, he sank into a semistupor.

KING NOT TO BE AT HOUSE OPENING

Associated Press London, Dec. 2.—It was announced at Buckingham Palace to-day the state opening of Parliament, scheduled for to-morrow, has been cancelled "owing to the grave illness of the King's sister," Princess Victoria.

There will be no procession and the King's speech will be read by Viscount Haldane, Lord Chancellor.

Mr. Wilford showed hard red spring wheat. The same type won the wheat grower last year for another Alberta grower, Jack Alsopp of Wembley. (Turn to Page 2, Col. 5.)

NEW PLAN IN NORTH CHINA

Nanking Offers Provinces Almost Full Freedom While Remaining in Republic

Associated Press Paoing, Hopeh Province, China, Dec. 2.—North China's political and military leaders of the northern provinces entered into conference with Gen. Ho Ying-Chin, minister of war.

Gen. Ho came here from Nanking with the latest and most liberal formula yet devised by the National Government for settlement of the North China situation.

If his programme is accepted, the necessity for Japanese approval still will remain.

In informed Chinese quarters it was stated that the new plan, if adopted, would establish a northern political council controlling the affairs of the five northern provinces and permitting North China to enjoy virtual independence while remaining within the framework of the Chinese republic, along similar lines as that existing in the southwest.

GOVERNOR RETURNS

The conference to-night was held in the home of the governor of Hopeh Province, Shang Chen, who suddenly recovered from the "cold" to which he attributed his staying in the American Hospital for the last two weeks. (Turn to Page 2, Col. 4.)

Fourteen-year-old Eric Stothers Injures Hand Cleaning Gun

Fourteen-year-old Eric Stothers lost two fingers and part of the palm of one hand in a shooting accident on his father's farm on the East Saanich Road, Saturday afternoon.

The lad was cleaning a shotgun and failed to remove all the shells before starting. He placed the butt on the ground with his hand over the end of the barrel when the gun discharged.

Dr. David Berman, Saanich medical health officer, was summoned and ordered the lad's removal to the Jubilee Hospital where it was found impossible to save the fingers. The two middle fingers were amputated. The accident happened shortly after noon.

Mr. Stothers' farm is near Hamlet Lake.

Victor Marconi, Saanich, Critically Injured While Hunting Near Killarney Lake Yesterday

Victor Marconi, twenty-four, Old West Saanich Road, suffered a broken neck and fractured skull when he fell more than thirty feet down a rocky cliff on Big Saanich Mountain while hunting yesterday afternoon.

His condition was described as critical at St. Joseph's Hospital this morning. Dr. J. H. Moore, the attending physician, stated he was not in immediate danger.

The accident occurred between 1 and 2 o'clock, about two miles west of Killarney Lake. Owing to the rocky nature of the country there was several hours before medical aid reached him. Dr. Moore traveled to the scene with attending police and rendered all possible assistance before the patient was removed to hospital.

First word of the accident was received by Chief Allan Rankin of Saanich police from Gavin MacCulloch, a member of the party who trekked out from the mountain to summon aid.

AID GIVEN IN WOODS

Chief Rankin relayed the message to provincial police and Constables Elmer Holm and Percy H. Brown were dispatched. They picked up Dr. Moore on the way and also sent a call for the C. and C. ambulance.

They met McCulloch and started a dash through the rocky and swampy woods to where companions of the injured man had carried him on an old door found nearby. Dr. Moore rendered all assistance possible after which the trek out was started.

Police are believed to have reached the scene last night or early to-day.

CANADIAN RAIL EARNINGS GROW

Canadian Press Ottawa, Dec. 2.—Freight traffic on Canadian railways during September showed an increase of 14.6 per cent over the corresponding month last year, and passenger traffic increased by 2.4 per cent according to a report issued by the Dominion Bureau of Statistics. The gross revenue was \$29,565,351 against \$27,605,390 in September, 1934.

Operating expenses increased from \$21,668,320 to \$23,436,325 and the operating income from \$4,998,347 to \$5,380,468. The increase in the payroll was \$1,174,699, or 8.9 per cent, for an increase in the number of employees of 2,153, or 1.7 per cent.

For the nine months ended September 30, gross revenues increased from \$218,206,109 in 1934 to \$220,730,659, and operating expenses from \$156,228,238 to \$158,486,557, but the operating income declined from \$59,714,345 to \$17,649,397.

City Budget Draft Calls For Rate of Forty-five Mills

Victor Marconi, twenty-four, Old West Saanich Road, suffered a broken neck and fractured skull when he fell more than thirty feet down a rocky cliff on Big Saanich Mountain while hunting yesterday afternoon.

His condition was described as critical at St. Joseph's Hospital this morning. Dr. J. H. Moore, the attending physician, stated he was not in immediate danger.

The accident occurred between 1 and 2 o'clock, about two miles west of Killarney Lake. Owing to the rocky nature of the country it was several hours before medical aid reached him. Dr. Moore traveled to the scene with attending police and rendered all possible assistance before the patient was removed to hospital.

First word of the accident was received by Chief Ahlan Rankin of Saanich's police from Gavin MacCullough, a member of the party who trekked out from the mountain to summon aid.

AID GIVEN IN WOODS

Chief Rankin relayed the message to provincial police and Constables Elmer Holm and Percy H. Brown were dispatched. They picked up Dr. Moore on the way and also sent a call for the C. and C. ambulance. They met McCullough and started a dash through the rocky and swampy woods to where companions of the injured man had carried him on an old door found nearby. Dr. Moore rendered all assistance possible after which the trek out was started.

Local Companies Give Generous Support to Christmas Campaign; New Filing System Is Developed to Simplify Registration

Beginning their drive to bring happiness into needy homes of the city at Christmas-time, members of the Gyro Club moved into their Christmas Hamper Fund headquarters at 915 Yates Street this morning.

The building provides plenty of floor space for the packing of hampers, and there are two offices, one for the executive end of the organization and one for the registration department.

Victoria firms are contributing generously towards the needs of the campaign workers in the matter of office equipment and supplies.

The heating requirements of the building are being taken care of through the Kingham-Gillespie Coal Company, who are providing a half-ton of coal; W. L. Morgan Fuel Company with a cord of wood; McDowell (Turn to Page 2, Col. 5.)

Ask Protection For Missionaries

Associated Press
Nanking, Dec. 2.—The United States embassy to-night asked the Chinese Government to provide protection for seventeen American missionaries caught in the path of a communist advance across Hunan province.

The Chinese communists are retreating across Hunan province in face of an advance of federal troops.

RIOTING CROWD IN CAIRO IS QUELLED

Associated Press
Cairo, Dec. 2.—Police fired guns into the air to disperse demonstrators to-day, and arrested four rioters who entered the home of the Liberal leader, Mahmoud Pasha, and damaged furniture.

Authorities attributed the renewed trouble to dissatisfied Nationalists (W.A.F.D.) Party members.

Police are believed to have reached the scene last night or early to-day.

CANADIAN RAIL EARNINGS GROW

Canadian Press
Ottawa, Dec. 2.—Freight traffic on Canadian railways during September showed an increase of 14.6 per cent over the corresponding month last year, and passenger traffic increased by 2.4 per cent according to a report issued by the Dominion Bureau of Statistics. The gross revenue was \$22,568,361 against \$27,603,399 in September, 1934.

Operating expenses increased from \$21,668,320 to \$23,436,325 and the operating income from \$4,998,947 to \$5,380,468. The increase in the payroll was \$1,174,699, or 8.9 per cent, for an increase in the number of employees of 2,153, or 1.7 per cent.

For the nine months ended September 30, gross revenues increased from \$218,206,109 in 1934 to \$230,730,659, and operating expenses from \$195,288,258 to \$195,496,357, but the operating income declined from \$23,917,851 to \$13,549,297.

NANAIMO FALL ASSIZES OPEN

Nanaimo, B.C., Dec. 2.—Nanaimo's postponed fall assizes opened here to-day with Chief Justice Aulay Morrison presiding. On the criminal docket there are nine cases.

George Hannay faces four counts of breaking and entering and having stolen goods in his possession, and one charge jointly with W. H. Jones, of burglarizing and stealing goods from Constantine's store at Parkville.

Senator A. E. Planta faces four criminal charges of theft and wrongful conversion of clients' money. Mr. Planta is being defended by J. B. Nicholson, Vancouver, while M. B. Jackson, K.C., of Victoria, is prosecuting for the crown.

The first case called to-day was the charge against Planta of having received the sum of \$700 from Henry Ahl and that in the period between 1931 and 1934, did wrongfully and fraudulently convert same to his own use, thereby stealing same. A jury of ten men and two women was chosen and court adjourned until this afternoon.

Civil cases, all of which were adjourned until next week, consist of three divorce cases, an action of the Grechean estate against A. E. Planta, and Smith vs. Guardian Insurance Co., arising out of an automobile accident in which plaintiff sustained injuries.

City Budget Draft Calls for Rate of Forty-five Mills

(Continued from Page 1)

surplus of \$25,289.56 from the preceding year.

Next year's estimated assessment stands at \$18,577,536 on land and \$28,981,700 on improvements. Allowing for 100 per cent taxation of land and 60 per cent taxation of improvements, the net taxable figure stands at \$36,216,468.

GROSS REQUIREMENTS

The rate required to raise the sum of \$1,888,787.43 would be \$2.1527 mills on that assessment.

The 1935 rate of 41 mills would produce a levy of \$1,484,675 on the reduced 1936 assessment, while the rate of 43 mills, mentioned as a possibility for 1936, would provide \$1,597,508 only.

To illustrate the manner in which the reduced assessment affects the mill rate for 1936, the computation has been made to show that the 1935 levy, amounting to \$1,572,169.69, would require a rate of 43.41 mills on the 1936 assessment.

The required levy of \$1,888,787.43, estimated for 1936, may be reduced to \$1,634,329.75, a figure which would entail a 45.124 mill rate, by the reduction of next year's instalment for sinking fund requirements.

That item accounts for \$254,557.69, a sum equal to that which was foregone in the 1935 budget.

Enabling legislation to skip that payment would, however, be required from the provincial government before that action could be taken.

START FROM SCRATCH

All estimates in the current budget are based on the assumption by the city comptroller-treasurer that the city will start next year clear with the books, with neither a surplus nor a deficit.

No account has been taken of the possible use of the city's \$100,000 loan from the provincial government for general purposes. Provision has been made, however, for payment of interest on that loan.

Permissive legislation will have to be secured for the refunding of serial debentures if the city decides to follow that course again, while borrowing from the government for relief is already covered in an existing act.

USUAL PRACTICES

Refunding and foregoing the sinking fund instalments are two practices which the city has observed for the last few years. No difficulty is anticipated in following that course again in 1936.

While the cut-throat committee will doubtless make some savings in the budget after it has gone through preliminary pruning in the council, observers saw few big items which would be reduced. In former years appropriations have been chipped to a fine point and very little remains on which savings can be made.

Canadian Again Crowned Wheat King at Chicago

(Continued from Page 1)

This year marked the seventh consecutive victory for Canadian wheat in the international competition.

Mr. Wilford was not on hand to accept the crown.

"BEAUTIFUL GRAIN"

The judges, who worked most of last night, but had waited for full daylight to choose the winning sample, said his exhibit was "beautiful grain."

LONG LIST OF VICTORIES

Of the seventeen annual grain shows held in Chicago, Canadians have carried off the wheat honors fourteen times, and twenty-one times since the inauguration of the international wheat contests twenty-five years ago.

Alberta has won the wheat title nine times, Saskatchewan eleven times and Manitoba once.

Montana wheat won in 1921, 1927 and 1928.

"Reward" wheat, with which Mr. Wilford won the crown, is a variety of red hard spring wheat developed by the Canadian Government's Central Experimental Farm in Ottawa and was first released in the spring of 1928.

Since then it has won the world's championship every year with the exception of 1931, when Herman Treile, who like Mr. Alsopp, the 1934 "wheat king" from Wembley, Alta., won with a sample of Durum.

CASH REWARDS

The title carries only a "fringed ribbon" at the exposition proper, but substantial cash rewards are offered by Canadian farm organizations.

Mr. Wilford's Reward wheat won against competitors from thirty-five states, seven Canadian provinces and eight samples from New South Wales, Australia.

CANADA'S BIG LEAD

The victories of Mr. Wilford and Mr. Rogers gave the Canadian growers fifty-two out of the eighty-seven prizes awarded by the wheat judges.

They won the first thirty awards for hard red spring wheat; Mr. Wilford's taking the blue ribbon for this type—Rogers, the reserve champion in wheat, showed the winning sample of Durum. A third Canadian, Walter Nagel of Fisherville, Ont., won the blue ribbon for white winter wheat. W. G. Gibson of Leander, C. placed second in hard red spring wheat.

Ranchers from New South Wales, Australia, represented in the show for the first time, took four out of eight prizes awarded for white spring wheat.

OFFICE EQUIPMENT

In the matter of office equipment, typewriters have been loaned by the Remington Typewriter Company and the Cameron Lumber Company, and chairs by the Y.M.C.A. Several companies have offered desks and other equipment. Harold Butcher, secretary-manager of the campaign, has issued an appeal for further typewriters.

Bob Smith has checked over the plumbing of the building, and the Ashcroft Electric Company has put the lighting system in working order. The city of Victoria is providing the water and the B.C. Electric Railway Company the electric power free of charge.

The three telephone lines, E 1127, 1128 and 1129 have also been donated to the drive, two at the expense of the Palm Dairy and one by Vaughan's grocer.

Ed Whyte, who is in charge of the stores and packing, was this morning inspecting the building and planning his hamper-filling layout. The system will be much the same as last year, with the supplies laid out on long benches, and the hampers circulated on hand trucks past each section.

ETHIOPIANS LEAVE HARAR

(Continued from Page 1)

It was thought here the Ethiopians may attack at dawn to-morrow, since that is the monthly day of the patron St. George.

Seyoum's and Kassa's forces were said to be in Hailon at Amba Alaji, south of Antalo, where Ras Mulugheta is believed to have arrived to reinforce them.

JOIN FORCES

Ras Emeru of Gojjam has joined with Dejazmatch Ayalu on the Takkane River.

It is estimated 400,000 Ethiopians are facing the Italians for the attack. This number includes part of Ras Kassa's forces along the mountains fringing the desert east of Makale.

Ras Desta is concentrating his army of 60,000 in Sidamo province. An advance guard of between 30,000 and 40,000 warriors are reported gathering near Dolo, in the south, with tribesmen accustomed to the climate being used to attack the Italians between Dolo and Lugh.

Light rains continue on the southern front.

NEW PLAN IN NORTH CHINA

(Continued from Page 1)

Others present included Gen. Sung Chieh-yuan, commander of the Peiping-Tientsin garrison; Hsiao Chang-feng, governor of Chahar Province, and other officials.

JAPANESE IMPATIENT

Tientsin, Dec. 2.—The central Chinese government's War Minister, Gen. Ho Ying-chin stepped into the breach to-day against the movement for North China autonomy.

While Japanese militarists gave evidence of irritation, Chinese leaders of Hopen and Chahar provinces proceeded to Peiping, eighty miles south of Peiping, to confer with Gen. Ho on the Nanking government's programme for its own North China reforms.

LOAN REPORTS

Shanghai, Dec. 2.—Japanese newspapers asserted to-day the Nanking government had asked the United States for a loan of \$200,000,000 (U.S. currency) to finance a war against Japan.

Japanese sources here continued to hold that a \$50,000,000 or at least \$10,000,000 loan from Britain is in prospect.

in last year's campaign, the registration department has divided the city, Oak Bay and Esquimalt into thirteen districts, each with its own filing system. The filing arrangements have been perfected to save time and prevent duplication.

Working parties made up of club members will start in on the business of assembling knock-down hamper boxes and laying out the stores on Wednesday evening. Louis Glazan is in charge of the workers.

Last year the Gyro hamper campaign was one of the outstanding features of the Christmas season, and one of the most successful drives of any sort ever conducted in Victoria.

British Cabinet in Lengthy Session

(Continued from Page 1)

PRESS COMMENTS

The press gave prominence to the Canadian Government's announcement that it was not taking the initiative in recommending a League embargo on oil to Italy.

The importance of the cabinet's impending oil embargo decision was emphasized in editorial comment by most of the London newspapers: "Canada starts League," said a streamer headline in The Daily Express.

"The ban on oil is a drastic sanction admirably calculated to precipitate a war," said The Daily Mail.

The Daily Telegraph said "any lack of nerve now would be fatal to the whole policy of collective, effective sanctions, which the British people endorsed practically unanimously at the general elections."

MINISTERS' VIEWS

The Daily Herald said it might be taken for granted the cabinet generally would accept the conclusions reached by Sir Samuel Hoare, Foreign Secretary; Rt. Hon. Anthony Eden, Minister for League Affairs, and Prime Minister Baldwin regarding the necessity for the embargo.

The Morning Post urged consideration as to whether the ban might not be less likely to make peace in Ethiopia than war in Europe.

OFFICIALS' POSITION

British officials to-day were extremely reluctant to comment on the Ottawa statement, and particularly on whether Dr. Walter Riddell, permanent Canadian representative at Geneva, was expressing his own views or those of the Canadian Government which he made the original proposal

been exhibiting for a number of years.

Canadian soy beans were selected as the best in the show, the grand championship in that exhibit going to G. Gordon Finlay, Northwood, Ont. for a small sample of "OAC 211."

FIELD BEANS

The two principal prizes for field beans were awarded to John Hamilton, Coaldale, Alta., and for any variety named "Luther Burbank" and Taylor's was named "Marrow Fat."

First prize for great northern field beans was awarded to John Hamilton, Coaldale, Alta., and for any variety named "Luther Burbank" and Taylor's was named "Marrow Fat."

While Great Britain supported it in principle before the Committee of Eighteen at Geneva, there is some difference of opinion of cabinet ministers over the wisdom of its application. One or two ministers, it is understood, oppose the oil embargo. Their chief argument is that it might lead to a sudden Italian outbreak spreading the area of war.

CHIEF POINTS

In official circles it is said the proposed oil embargo raises three important points:

1. Can such an embargo be classified as a purely economic sanction, seeking that if carried fully into effect, it will eventually immobilize Italy's air and mechanized warfare against Ethiopia?

2. Does not an oil embargo in this sense assume rather the character of a limited blockade?

3. Can the embargo be effective if United States co-operation is limited to appeals from the President Roosevelt's government to oil exporters?

4. Would the embargo shorten the

DANCERS SHOW SUPERB ART

Jose Canino and Tonia de
Aragon Thrill Big
Audience

Jose Canino and Tonia de Aragon danced their way into the hearts of a large and appreciative audience at the Empire Theatre on Saturday evening—danced their way on feet imbued with magic, through dances stamped with the hallmark of authenticity and invested with all the fire and seductiveness of old Spain.

It was one of the most beautiful and artistic experiences ever vouchsafed to a Victoria audience, and Saturday's audience responded with an enthusiasm which expressed itself in clamorous applause and an insistent demand for encores with which both artists generously complied—despite the exacting and lengthy programme.

From the opening "Sevilla" duet, expressive of the languor and romance of southern Spain, to the final "Jota Aragonesa," with its diverting pantomime of peasant artlessness, the programme was a feast to the eye, a brilliant mosaic, scintillating with life and color, not only from the point of exquisite poetry of rhythm, but in its costume, Tonia de Aragon wearing gorgeous costumes typical of Spain.

Canino is a superb artist, of amazing technique and virtuosity, interpreting his art with passionate, glowing, electric vitality. His foot work, whether in the characteristic "zapateado" or in the more modern, depicting a gay caballero off to the fiesta to meet his sweetheart, and in "La Corrida," an Andalusian study of an amateur bullfighter, or in the airy leaps and whirls in "Tamborin," in which he skillfully accented the rhythm with the twinkling of his feet, and his mastery of the castanets was such that he almost made them talk, particularly in the bucolic and amusing caricature "Jota Aragonesa," with his partner—a delicious bit of comedy.

Tonia de Aragon is the quintessence of grace, vivid, alluring, temperamental—an actress as well as a great dancer. One was torn between the desire to watch her twinkling feet and to lose none of the emotions which danced as rapidly across her beautiful and expressive face.

At one moment she was the devout daughter of the church, as in the deeply religious traditional classic dance, "Cordoba," in mood ranging from delectable humility to spiritual exaltation; at the next she was the mischievous village coquette, first re-buffing, then enticing the sky peasant, as in the "Nortena" from Coruna. Or again the gamine flower vendor, archly importuning passers-by, or grimacing at those refusing her posies, as in her delightful interpretation of "Bambola Calenciana" from Valencia. Her mimicry was delicious—expressive eyes and hands and feet all contributing to the perfect picture.

Juan Lopez was at the piano and deservedly shared in the generous plaudits which greeted the artists, his accompaniments rounding out one of the most outstanding entertainments ever brought to this city.

Despite political and military hindrances, United States exports to China have increased about tenfold since 1900. In that year China took \$12,533,000 worth of goods from the United States; in 1930 it took \$106,560,300 worth of commodities.

Hart and Sloan Off to Ottawa

The second contingent of B.C.'s Ottawa conference delegation left the capital this week-end.

It consisted of Hon. John Hart, Minister of Finance, and Attorney-General Sloan. They are in Vancouver to-day and will leave for the east to-night.

Premier Pattullo left Vancouver Saturday evening, and Hon. G. M. Weir, Provincial Secretary, is already on his way east.

Hon. George S. Pearson, Minister of Labor, will leave about the middle of this week.

Cleaners and painters moved into the secretarial offices of the Premier and provincial secretary Saturday to give them a washdown while the members of the government are absent. The secretaries moved into the offices of the ministers meanwhile.

Hon. A. Wells Gray, who becomes acting prime minister this week, is expected to return Monday or Tuesday to return to-day or tomorrow from a trip to the interior.

Plans Advance For Snow Ball

Beaux-Arts Committees
Busy on Holiday Dance
at Empress

With the thoroughness that marks all their undertakings and ensures their success, the Beaux-Arts have named committees to look after the various details for the annual "Snow Ball" which is to be staged at the Empress Hotel on Thursday, December 26.

The general committee includes the Misses Elizabeth Edwards, Maureen Grute, John Mercer and Lea McMartin; tickets are in charge of John Mercer, Pat. McConnan, Kenneth Sangster, Dick Airey, Nan Eve, Helen Sweetland, and Austin Goward; Elizabeth Edwards is looking after the costumes for the dance numbers, and John Mercer the music. As usual, the society is planning several diversions, including two spectacular choruses in costume. In the Russian number will be Nan Eve, Lorraine Fendray, Baber Pennock, Thelma Ackerman, Margery Benson, and Peggy Gelling. In the tap chorus, Laura Catterall, Dorothy Freeman, Helen Peden, Betty Petch and Maureen Grute will dance.

J. A. RITCHIE, OTTAWA, DIES

Crown Attorney Was Widely
Known As Poet and
Playwright

Canadian Press
Ottawa, Dec. 2.—The death occurred here yesterday after a brief illness of James A. Ritchie, crown attorney for Carleton County. He was seventy-two years old.

His death removed from the legal life of Ottawa one of its most outstanding luminaries. For thirty-eight years Mr. Ritchie had been crown attorney, and in that capacity he earned high praise from bench and bar on the conduct of his cases. It was said of him that he never prosecuted a man in his life.

A poet and playwright, Mr. Ritchie was the author of "Dinner at Eight," "Afterglow" and "Worldlings," all of which were produced on the New York stage. The first named of these three plays was produced many years ago, and is not to be confused with the more recent popular success of the same name written by Edna Ferber and starring John Barrymore.

ON PARLIAMENT BUILDINGS

Mr. Ritchie, it is not generally known, was the composer of the famous lines which adorn the main portals of the Parliament buildings here: "The wholesome sea is at her gates. Her gates, both east and west."

Born at Saint John in 1863, he was a son of Sir William Johnston Ritchie, former Chief Justice of Canada.

Mr. Ritchie never married, but resided in Ottawa with his sister, Miss Grace Ritchie.

Two of the largest sawmills in the United States are located at Bognuss, La., and Longview, Wash. Each has a capacity of about 1,000,000 board feet a day.

Date Is Set For Pantomime

"Dick Whittington and His
Cat" at Empire

Those who saw the Christmas Pantomime "Cinderella" at the Shrine Auditorium last year will be pleased to hear that the same producers, Vivien Combe and Dorothy Wilson, will stage a bigger and better production this Christmas at the Empire Theatre for two nights and a matinee December 27 and 28. The new production has been titled "Dick Whittington and His Cat."

Rehearsals have been under way for some time. The cast will number sixty including such well-known artists as Doreen Wilson, Isabel Benson, Rosemary Farrow, Dudley Wickett, Arthur Groves, Christopher Freer, Ian Gibson, Phyllis Addison, Wynne Shaw, Bernice Penner, Alva Wetherall, Erna Falk and many other well-known performers.

Boy Scouts, in aid of whose association the production is being staged, are also taking an active part.

The scenario has been written entirely by Vivien Combe. The dances will be under the direction of Dorothy Wilson and the music under Ted Holloway.

Tickets will be for sale at the Boy Scouts Toy Shop, 615 Yates Street, shortly.

No Policy Set On Cancer Fund

Dr. Alexander Primrose Says
Canada Responded Well
to Appeal

No administrative policy has yet been decided upon in respect to the King's Jubilee Cancer Fund in Canada as the trustees have not yet met, it was stated by Dr. Alexander Primrose while visiting the city at the week-end as the guest of Dr. and Mrs. H. H. Murphy, The Uplands.

A reception was held in honor of Dr. and Mrs. Primrose, prior to their departure yesterday for Toronto, by Dr. and Mrs. Hermann Robertson, Clive Drive.

Canada, the famous surgeon said, had responded well to the appeal for funds. He spoke in Victoria last April during a Dominion-wide campaign on behalf of the cancer fund.

Dr. Primrose declined to comment on the "mercy killing for incurables" movement, which is arousing so much controversy at the present time. It was a very delicate subject, he said.

One of Canada's most noted surgeons, Dr. Primrose, who is now retired, gained many degrees and honors in his profession. He was professor emeritus of clinical surgery and dean of the faculty of medicine at the University of Toronto, and consulting surgeon at the Toronto General Hospital and Hospital for Sick Children at Toronto.

ORATORIO TO BE PRESENTED

Second Annual Performance
of Handel's Messiah Will Be
Shown December 18

The second annual performance of Handel's oratorio "The Messiah," at Christ Church Cathedral on Wednesday, December 18, promises to be one of the outstanding musical events of the winter.

A large choir and an orchestra of sixty players has been practicing assiduously for many weeks under Stanley Bulley.

The first years of Handel's musical career were devoted to the writing of opera. Financial difficulties beset his path and Handel was impelled towards oratorio. Out of the welter of trouble came the glorious "Messiah." He was always a quick worker, but in the composition of this work he surpassed himself. He completed the first part in six days, the second part in nine days, and the third part in six days, taking only two days to fill in the instrumentation.

As announced, admission to the Cathedral will be by programme. These are now obtainable at Fletcher Bros. Music Store on Douglas Street. Early application should be made for them to avoid disappointment.

Author's Son Rhodes Winner

Mark McClung Awarded Al-
berta Scholarship; Parents
Here Thrilled

Canadian Press
Edmonton, Dec. 2.—University of Alberta Rhodes scholar for 1935-36 is Mark McClung, twenty-four, son of Mr. and Mrs. R. W. McClung of Victoria, formerly of Calgary and Winnipeg.

The new Rhodes scholar's mother is Nellie McClung, the noted Canadian author. Award of the scholarship was made known Saturday.

A student in honors philosophy, Mr. McClung's campus career was marked by brilliant scholastic success. He has been at the University of Alberta for five years, and during that time has taken an active part in student affairs.

President of the Student Debating Society last year, he was recently elected a member of the Phi Kappa Phi honor society. He has also been prominent in government of the Philosophical Society.

An excellent golfer, he has been a member of the Campus Club for many years and has distinguished himself in the annual tournament.

The new Rhodes scholar expects to leave for Oxford in the fall, and intends to spend three years overseas. A brother, Jack, solicitor in the provincial attorney-general's department, brought a similar honor to the family on conclusion of his career at the University of Alberta by winning the I.O.D.E. scholarship which enabled him to spend a year in the Old Country.

Mark McClung, the Alberta Rhodes scholar, was a visitor in Victoria for six weeks last summer. He spent his vacation with his parents, Mr. and Mrs. R. W. McClung, at Gordon Head. "It's mighty good news," said Mr. McClung after learning of the award by wire from his son yesterday. "We're thrilled about it," he told The Times.

Mark was born in Winnipeg, took his high school training in Calgary, and has done all his college work at the University of Alberta.

During his vacation this year he took a summer course at the University of British Columbia.

BUFFALO HERD THINNED OUT

At Elk Island Park in Alberta
500 Are Being Slaughtered

Canadian Press
Edmonton, Dec. 2.—Slaughter of 500 buffalo of the herd of 2,800 at Elk Island Park, forty miles east of here, began early this morning, with three objectives: to reduce the herd to less costly numbers; to provide Canadian dinner tables with buffalo steaks and bologna, and to afford fur coats for the R.C.M.P. and other officers.

C. J. Long of Winnipeg, who has charge of the slaughter on behalf of Canada Packers Limited, hopes to kill and dress fifty animals a day. The maximum daily kill in previous years has been twenty-three.

Sam Purshell of Wainwright Park, the federal government's ace sharpshooter when it comes to bowling over bison heads, was on the job early when action started to-day. The round-up had been completed late last week with 1,500 of the bison in the fifty-acre park herded, into a 300-acre enclosure by a dozen range riders. From this huge group, one-third is to be slaughtered.

Canada, the famous surgeon said, had responded well to the appeal for funds. He spoke in Victoria last April during a Dominion-wide campaign on behalf of the cancer fund.

Tells How Bible Came to Britain

The fortnightly meeting of the Oaklands Y.P.S. was held on Wednesday evening last in Oaklands Gospel Hall. After the opening hymn and prayer, and Scripture portion, a vocal quartette was sung by the four young men who conduct the "Evening Reveries" over CPCT every Sunday evening.

The president, Frank Hamilton, gave an address on the subject, "How the Bible Came to Great Britain," illustrated by a set of beautiful colored slides. The speaker traced the story of how the gospel was brought to the British Isles in the times of the Romans, then translated into the Anglo-Saxon language, and the events leading up to the printing of the King James authorized version of 1611.

The next meeting will be held on Wednesday evening, December 11, when Chas. Bowen will give an account of his experiences in gospel work in the interior of British Columbia. All young people are invited to these meetings.

FRANCE LOYAL TO AGREEMENT

Unrest in Country Makes
Laval's Position Difficult,
Says Parisian

Torn internally by political and social unrest, and forced to turn against Italy through an agreement with Great Britain on sanctions, France is in an unenviable position, states R. C. Aublin of Paris, who is registered at the Empress Hotel.

The French people hope that England and France may be able to reach an agreement to enable Premier Mussolini of Italy to withdraw from the Ethiopian war and at the same time "save face," the visitor stated.

Mr. Aublin, who is a bullion merchant of Paris, is going to China to study the silver market. He is a well-known French sportsman, being a champion golfer and former amateur boxer, soccer and rugby player.

STUDENTS' EYE EXAMINATIONS

All Want to Avoid "Bounced
at Christmas" Degree;
Physical Training

University of British Columbia,
Point Grey, Nov. 28.—With the Christmas examinations only a week away, several hundred members of the sophomore and freshmen classes, plus a sprinkling of science and senior artmen, have settled down to the contemplation of a seven-day "exam."

Even the undergraduates whose life has been free from extra-curricular diversions during the last term, views with misgivings the possibility of receiving a "B.C. degree." This distinction is conferred annually on those who fail to make the regulation quota of 90 per cent in the Christmas tests, and in the jargon of the campus, signifies "bounced at Christmas." As the university has an increased attendance this year, it is possible that more students than

Returning From Empire Parley

P. Z. Caverhill, Chief B.C. Forester, Back From South Africa Meeting Next Week

P. Z. Caverhill, chief forester of British Columbia, who has been away for the last four months attending the British Empire forestry conference in South Africa, will arrive back in Victoria early this week, it was learned this morning.

Mr. Caverhill has recently represented the province at a forestry research meeting in Ottawa. He left here during the summer, reaching South Africa in time for the empire gathering on September 1. To the conference Mr. Caverhill submitted comprehensive reports showing B.C. forest resources, conservation methods and a variety of other information bearing on the subject.

STORIES IN STAMPS

By I. S. Klein

FRENCH DOOR to ETHIOPIA

The only door to Ethiopia may be blicked soon, when the armies of Italy from the south and north meet and cut off the only railroad into the land of Haile Selassie. This important entrance of trade to Ethiopia is Djibouti, in French Somaliland, a dazzling white city that lies in desert heat on a deep bay that enters the Red Sea.

Djibouti is the only French port of call on the Suez route to Madagascar, French Indo-China, and other French colonies in the east. The railroad to Addis Ababa starts here. When the Italian armies cut it off Ethiopia will have no direct access to civilization and to sources of its much-needed supplies.

Djibouti is shown on a large stamp issued for this colony in 1933-34 and pictured here.

GIVES LECTURE ON RYECROFT

Interesting Naval Character Discussed at Kipling Society

"Ryecroft the Brass-bound Man" was the title of an interesting paper read by P. R. Leighton on Wednesday evening to the members and friends of the Kipling Society at the regular monthly meeting, held in the Women's Institute Rooms.

The speaker reminded his hearers that Kipling was no psycho-analyst in the drawing of his characters. In all of the five short stories in which Ryecroft appears there is no attempt made to portray his character, and only a short description of his personal appearance, but his words and actions told in Kipling's terse and direct style, set him before his readers more clearly than paragraphs of explanation.

Ryecroft was a naval man of sturdy build and plain and often profane speech. A man of action rather than words. This, the speaker noted, was typical of the men of the navy, where often a moment of indecision or a lack of quick judgment and action would endanger many lives.

The adventures of Ryecroft, those he recounts and those in which he assisted, were decidedly amusing, if not strictly along the lines of naval discipline.

Mr. Leighton read extracts from the stories and poems. The final story, "The Horse Mariner," in which Ryecroft, this time on land, helped to take a hand in creating a disturbance among the forces of His Majesty's army with hilarious results.

In "Mrs. Bathurst," a tragic episode, Kipling remained consistent in his characterization. There was no false note of sentiment struck to mar the picture. Ryecroft stood among the gallery of Kipling's creations the epitome of the British sailor.

Other members who contributed to the programme were Mrs. White, who read the poem, "Mary's Son," and K. C. Symons who read "The King and the Sea." Kipling's latest poem written this year on the occasion of the naval review held in honor of the King's Jubilee. A great poem and a noble tribute to His Majesty.

TO HOLD DINNER
In place of the regular meetings in December the society will hold a dinner on Monday, December 30, that being the date of Kipling's seventieth birthday. The executive of the society is making arrangements for speakers and programme on that occasion to make a fitting commemoration for the birthday of the world-wide author and poet.

the city on December 18 to 21, according to an announcement of the secretary, H. G. Robinson, this morning.

One of the oldest, if not the oldest, in western Canada and on the Pacific Coast, the show will be held in the building next to the National Motors on Yates Street this year.

There will be classes for all breeds of fowls, including bantams and all breeders, particularly the smaller breeders, are invited to show their birds. There is no entrance fee.

Entry forms may be secured from Mr. Robinson at Prospect Lake, or from any feed store in town.

Oregon Replacing Capital Building

In replacing its capital building at Salem, the State of Oregon may be guided by some of the features of B.C.'s legislative buildings.

Ralph Watson, of the Portland Journal, visited Victoria Saturday and made inquiries about the construction of the local building. He was furnished with plans by the architect's department.

Mr. Watson said it was planned to spend \$3,500,000 on the new Oregon building. The old one was burned down last April.

He was surprised to learn that the B.C. structure cost only \$2,500,000. It was pointed out, however, that it could not be replaced now for under \$4,000,000.

FILM STAR TO WED DOCTOR

Claudette Colbert Engaged
to Dr. J. J. Pressman of
Hollywood

Associated Press
Hollywood, Calif., Dec. 2.—Claudette Colbert of the screen, and Dr. Noel J. Pressman, Hollywood medical researcher, will be married early in 1936. "Yes, we're engaged. No, we haven't been married yet," chuckled the pair after a flying round trip to San Francisco.

"We don't know just when it will be, but probably very soon after the first of the year."

Dr. Pressman's divorce from his first wife, a nurse, will not become final until January. Last summer Miss Colbert's attorneys announced she won a decree in Mexico from Norman Foster.

Plane and San Francisco hotel reservations reported made yesterday in the name of "Dr. and Mrs. J. J. Pressman" suddenly sent speculation skyrocketing over whether the couple had been wed secretly.

But the physician said "there must have been some mistake."

PERSONAL

The many friends of Miss Kate Gaudin, Fort Street, will regret to hear she is a patient in St. Joseph's Hospital.

Mr. and Mrs. William Elliott and Miss Pye have again taken up their residence at the Ritz Hotel, after spending the summer at Aspen Beach, Alta.

Bound for Bermuda, Mr. J. M. Fraser of Victoria was a passenger aboard the Canadian National liner R.M.S. Lady Rodney, which sailed from Halifax over the week-end for West Indies ports.

Mrs. Herbert Hudson of Vancouver, who has been visiting in Victoria for the last ten days as the guest of Mr. Justice H. B. Robertson and Mrs. Robertson, the Uplands, will return to-morrow to her home on the mainland.

Announcement is made of the marriage of Mrs. Annie Heaton Agnew to Mr. Woolston John Lewis, which took place at the home of the officiating minister, Rev. James Hood, Belmont Avenue, on Thursday evening, November 28.

Mr. G. Saul of Decker Lake, who has been spending the last month in Victoria with his parents, Mr. and Mrs. Fred Saul, Palmouth Road, left this afternoon for the mainland and will sail from Vancouver this evening on his return to his home in the north.

Mr. and Mrs. George B. Bursey, 400 Craigflower Road, announce the engagement of their second daughter, Lena Isabelle, to Mr. Marshall Layton Parby, eldest son of Mr. and the late Mrs. W. M. Parby, 1575 Pembroke Street, the wedding to take place in December in St. Saviour's Church, Victoria West.

Mrs. W. Fowles has rented her home, 376 Beach Drive, and left yesterday afternoon for the mainland on her way to Inverness, Ontario, on a visit to her son-in-law and daughter, Mr. and Mrs. H. H. Caldwell. En route to the east, Mrs. Fowles will visit in Winnipeg and in Montreal with her sons before returning home. While in Vancouver Mrs. Fowles will be the guest of Mr. and Mrs. Frank Burd.

Mrs. J. R. Kingham entertained at a dinner party on Saturday evening at her home in the Uplands.

Mr. and Mrs. G. D. Irwin of Ganges are visitors in Victoria and are staying at The Angela.

Mrs. J. W. Spencer, Craigdarroch, and her daughter, Miss Myfanwy Spencer, who have been spending the last few weeks in Los Angeles, have returned to their home in Victoria.

Dr. T. A. Rickard, Lamson Street, has left for the mainland en route to New York, and while on his way east will visit in Arizona. Dr. Rickard, who is writing the biography of the late Mr. James Douglas of Arizona, one of the most prominent mining engineers of the United States, has gone east to obtain material for the book.

Members of the First Cedar Hill Girl Guide company were hostesses at a most enjoyable dance at the C.C.F. Hall, Mount Tolmie, on Friday evening, the proceeds being devoted to the fund to assist a needy family. So successful was the affair that another will probably be held in the near future, in response to popular request.

Dorothy Hudson, Ontario Street, celebrated her fourth birthday Friday evening by entertaining sixteen young guests. Games were played, after which they all sat down to supper, the table being centred with a beautiful birthday cake. The guests included: Joyce Dawes, Jean Dillworth, Lila Hillier, Ethel Stickney, Dorothy Hudson, Gladys Jones, Phyllis Wilson, Betty Phelps, Donald Headlip, Bob Rowan, Ken Cooley, Stanley Clarke, Leslie Kelly, Peter Bourne, Desmond McClimpey, Earl McVior and Kathleen and Laurence Orchin.

At the regular practice of the Equimant United Church choir, the leader, Mr. W. A. Deaville, presented a salad bowl and servers to Miss Valentine Ireland, whose marriage to Mr. A. Hetherington will take place next week. A silver flower basket was presented to Miss Helen Roode and Mr. A. Gray, who are also being married in December, by the president of the Y.P.S., Mr. W. J. Young, on behalf of the Y.P.S. choir and Bible class. Both brides-to-be suitably replied to these presentations, after which refreshments were served.

In honor of Miss Helen Roode and Mr. Alex Gray, whose wedding takes place on December 11, a miscellaneous shower was held at the home of Mr. and Mrs. H. Hughes, Admirals Road. The gifts were concealed in a pot of gold at the foot of a rainbow. Games were played and prizes won by Miss Evelyn Fink, Mr. W. Young and Mr. R. Fraser. The invited guests were: Mr. and Mrs. G. B. Corless, Misses Helen Roode, Evelyn Fink, Elsie Deaville, Catherine Johnson, Grace Jones, Ruby Wallace and Jean Barker; Messrs. Alex Gray, Fred White, Fred Wheeler, John Rowton, Ralph Fraser, Bill Young and George Redhead.

A very enjoyable evening was spent at the home of Mrs. Roy T. Pendray, 411 Linden Avenue, on Friday night, at a surprise party given in honor of Millie Pendray. Dancing was enjoyed and dainty refreshments were served. Those present were: Phyllis Addison, Anna M. Anderson, Lorne Elliott, Helen Gilliland, Peggy Houston, Alice King, June McAllister, Pearl McGary, Joyce Murphy, Jewell Pettigall, Patricia Pendray, Jessie Reynolds, Florence Robertson, Hazel Smith, Ely Whitaker, Mary Whyte and Isabel Weir, Lew Alexander, Lloyd Baker, Jack Campbell, Robert Dronfield, Jack Fraser, Bob Gaetz, Ronald Jones, Ronald Johns, John Lund, Royce Marshall, Bob Millar, Jim McGary, Donald Nelson, Bob Rutledge, Bill Stenton, Bill Stevenson, Harold Trade, Paul Trudel, Glen Thomas and Gordon Walsh.

Hard-of-Hearing Plan Concert

The Victoria Club for the Hard-of-hearing will hold an entertainment in the auditorium at St. Ann's Academy, Humboldt Street, Wednesday evening, December 4, at 8 o'clock. The Sisters of St. Ann have kindly offered the club the use of their auditorium for the evening.

Kathleen Redgrave Lavell will contribute a vocal solo, and Dorothy Morton Gough, pianist, will play. The musical programme will be followed by motion pictures, one of Alaska, and two comedies.

In order that the hard-of-hearing people present may thoroughly enjoy the programme a group hearing aid is to be installed. This aid was used with great success at the recent Northwest Conference, Pacific Zone, American Society for the Hard-of-hearing, at Vancouver, and has earpieces for both air conduction and bone conduction. Those who wish to use this aid should be there in good time, so that they can find out before the entertainment begins which type is more helpful.

Miss C. Edna Whaley, first vice-president, will preside, in the absence through indisposition, of Miss Kate Gaudin, the president.

The entertainment will be open to the public for a small charge, and members of the Victoria Club for the Hard-of-hearing will be admitted free. The proceeds will go towards a fund to provide one of these group-hearing aids, which is one of the ultimate objectives of the club.

Piano Pupils in Clever Recital

Pianoforte pupils of Miss Helen Ockenden gave an interesting programme at the New Thought Hall Saturday evening. Additional to the numbers by the pupils were Miss Fay Ockenden's violin solos, including Bach's "Air for the G String"; Miss Jean McConnell's two vocal solos: Shirley Gunn's toe dancing, and the musical sketch presented by the children, "The Candy Shop," which contained a number of attractive songs and dances.

Those taking part in the pianoforte programme were Dorothy Jackson, Roberta Monteith, Doreen Nute, Shirley Gunn, Joan Pudge, Louise Eulton, Betty Lou Playfair, Chastabel Pullen, Jean McConnell, Billy Jenkins, Helen Dixon, Marjorie Margison, Darrel Nute, Dick Brown, Frank Brown, Howard Vey.

AROUND THE TOWN
With Misses Pepsys

Saturday, November 30.
'Tis the last day of November. Rise over late after festive night. Lulling strains of music do turn within my mind. 'Tis very sure Mister Weatherly do waits to perfection. 'Tis a time for all things and 'tis not dancing 'I should be thinking of, for the Yuletide season comes on apace.

Miss Castlemaine did call for me and we to town together. First to Art Minnie's Drug Store on Yates Street—ever doth he have an alluring array of cosmetics and toilet articles... dainty accessories to beautify that ever make attractive gifts. Finde here, dainty silver mesh compact with black enamel and silver top. 'Tis very new and will crush softly within the purse. An array of French enamel compacts, too, square cut and pretty design, but \$1.25. Here be gifts, too, that do suit the gentlemen... a complete choice in items and gift sets.

And so on to McMartin's Leather Goods Store, where had much pleasure in looking over a fine new lot of evening bags but just arrived. How pleasing they be! Some all sewn with silver and beads, others decorated in silver and beads. Again I do spy fine silk and satin bags... and all of the very latest cut and design. One perfect little bag all beaded in black and with bright design worked upon be only \$1. Another, of white and silver beads be priced but \$1.25. Here be pleasing gift for all. And perfect array to choose from.

Come forth in much excitement and greatly a flutter, for we hear the Needle Craft Shoppe be offering gift seekers... goods Christmas scrip. Straightaway cross to 713 Yates Street to finde it doth be true. Mistress Bennett do have printed Christmas scrip. 'Tis possible to buy for any amount... give scrip to a good friend who then may go within the Needle Craft Shoppe and choose what they do most desire... and there be so many things to choose here. 'Tis do simplify gift-giving much.

Needle Craft windows do be very gay, all decked as they be in red, green and silver trimmings, and with the red and silver poinsettias of Christmas. Do then hurry on to Barber and Holdcroft's at 1623 Douglas Street.

'Tis amazing to remember that here one doth finde as well as toys, a perfect array of fine English china. Great shelves there be filled with bits that do make good gifts. Candlesticks of clear amber glass I finde at but 75 cents a pair. Flower vases, well turned and of Oriental design at only 25 cents. Glassware and fine breakfast sets in bright array. One goodie set of six cups and saucers, six plates, teapot and sugar and cream be but \$1.98.

Thence to Wilfrid Gibson's Studio at 728 Fort Street. Mistress Castlemaine did pick up the proof of her likeness. Mister Gibson do have a splendid offer. He doth finish but the number of pictures one do wish and have the money to pay for. One, two, or three... or more, it does not matter. 'Tis, with the same lighting with the studio and the perfection of new natural tone and silver tone mounts, makes Mister Gibson's Studio very popular. 'Tis wise to make appointment now for a likeness for Christmas.

To my diary would make comment, that if Mister Gibson doth make of Mistress Castlemaine's likeness so pleasing a portrait as I did see, he indeed be magician. La! 'Tis indeed amazing.

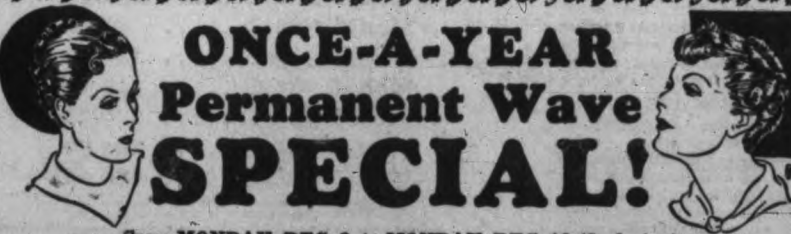

Stroll on to English Bakery at 728 Fort Street. What a delicious whiff greets the nostrils here—'tis a lovely mingled fragrance of all the rich ingredients that doth make the Christmas dainties taste so good. Samuel is overjoyed at shortbread, but who can blame him when it do come from English Bakery. Order a round... 'tis priced at 28 cents and 35 cents or up. Then there be smaller pieces at 30 cents a dozen. Finde that one may order here, Madeira, light fruit or cake... any size... at 40 cents a pound.

To the Marionette Library at 631 Fort Street. Entering, Mistress Castlemaine doth muse aloud on fine service to be found here. 'Tis the greatest array of books... fiction or non-fiction... within the city. Perhaps 'tis a new book but just reviewed... one doth wish. Mistress Nixon doth have it. And what'er the book, whether it be fiction or non-fiction, there be no extra reading charge. All do come within the regular library subscription rate. A month's subscription to Marionette, as gift, would give many dollars of goodie reading for such small amount. Here be pleasant surroundings, too, and courteous service to all.

Do go past the Posh Shoppe. No, not past... for nannos forbear to go inside. The flowers do beckon so. Finde Mistress White arranging for holly shipments that do ever go from this fine shoppe each Yuletide season. A gift of holly from this town doth ever be appreciated. 'Tis boxed and packed well, and posted within goodie time to reach any destination. Boxes there be as little as 50 cents. Glossy green leaves and fine red berries... 'Tis well to order this fine holly now.

Now to Government Street and to Perod A's, in the corner of Belmont House, and there do finde a fine display of glassware that doth hold the spirit of Yuletide and old time wassail-bowl. 'Tis goblets... some on slender stems... some shaped as proudly with the craftsman's name. While act, there be from smallest liqueurs to biggest quaffing bowl. Some I did see, hand-cut Georgian in Royal Briery glass... one set be very plain, the next all carved and engraved. Some, too, be of Cairngorm crystal... of deep amber color so rich it do make one think of age-old vintage. 'Tis ideal gift for festive season and withal, so beautiful.

And so—to Diggon's, for always there be that last-minute rush for overseas gifts and cards. Ever do I think on some dear friend almost to forget. Diggon's do have lovely press cards... and calendars that do show view of this great land. While there observe a table of fine new book-ends all boldly carved in hard dark wood. There be carved ends of fish for fishermen... antlered heads of deer for hunters... and some Scottish heads for dog lovers. Now here be good suggestion for Samuyl's friends. Home-tired and well content to remain within the house this night, Samuel do seem very quiet. Perhaps it be thought of my goings on last eve. Methinks it be a time to leave the matter of entertaining Mister Weatherly at dinner. Myself... to bed. Leave Samuel musing darkly before the fire.

A letter was read from the Knights of Capitol City Lodge No. 61, asking the sisters and their friends to attend a "cootie" party and dance to

be held on December 10 at the K. of P. Hall, Broad Street. The annual roll call was read and nomination of officers took place. Next meeting night, December 5, nomination and election of officers will take place. At the close of the meeting refreshments were enjoyed with the Knights of Far West Lodge No. 1.

Anti-Vivisectionists to Meet—A discussion based upon a publication from the Wisconsin Humane Education Society will furnish the basis of a talk to be given at the home of Mrs. Vivenot, 1120 May Street, Tuesday, December 3, at 8.15 o'clock. The affair has been arranged by the local Anti-Vivisection Society, which is interesting itself in the ethical effect of modern education. A teacher's view of the study of biology in schools and other short readings will be contributed and all members, friends and interested persons are cordially invited to attend. The affair is semi-social in character.

Essex Club—The bridge party held recently at the home of Mrs. P. J. Campbell on Moss Street was a very successful affair, financially and socially, the first ladies' prize going to Muriel Panthorpe, and the gentlemen's to Cowper Newbury. Rose Rogers won the ladies' consolation and Wilfred Sturrock, gentlemen's. Miss Doreen Newbury acted as a very efficient M.C. The entire proceeds were donated to the building of the Essex Clubhouse. A business meeting will take place on Friday, December 6. A bridge party will take place on Saturday, December 7 at the home of Mrs. Leggett, Vincent Avenue. Anyone wishing to play please phone Empire 8498.

C.C.F. Bazaar—The ladies of the C.C.F. will hold a bazaar on Thursday, from 10 a.m. to 10 p.m., at headquarters, 724 Fort Street. Preparations have been made to hold stalls for handkerchiefs, all of which will offer many attractive articles suitable for solving the Christmas gift problem. There will also be a tempting display of home-cooking and candy, and a country produce stall for the practical housekeeper. A dainty little hand-knitted pullover figures in an estimating contest, and there will be a grab bag for those who like to try their luck. Tea will be served throughout the afternoon. The entertainment committee have arranged a splendid programme for the evening. Among those assisting will be Frank Merrifield, the Cornish Wizard, and pupils of Sonia Slavina.

MISS DINGMAN WILL BE BUSY

Heavy Three-day Schedule Arranged for Geneva Visitor This Week

A busy schedule of engagements faces Miss Mary Dingman, of the World's Y.W.C.A., Geneva, when she arrives in Victoria next Thursday morning for a three-day visit. She will be the guest of Hon. G. M. Weir, Minister of Education, and Mrs. Weir, at "The Oaks," Oak Bay Avenue, during her stay.

Her chief public address will be given at the dinner to be held on Thursday evening at the Empress Hotel under the auspices of the local branch of the Y.W.C.A. and to which heads of women's organizations, service clubs, church and educational bodies have been invited. The dinner will be preceded at 6.30 o'clock by an informal reception at the hotel, when Mrs. G. M. Weir, Mrs. Roy Angus, president of the Y. R. John Baxter, and Dr. Olga Jardine, will assist in receiving the guests.

On Friday, Miss Dingman will be the guest of Mrs. T. A. Rickard, Lampson Street, for luncheon, after which she will address the Women's Canadian Club at 2.45 o'clock at the Empress Hotel on the subject, "The Status of Women and its Implication To-day."

On Friday evening she will speak at a gathering of Young People's groups and their leaders at the City Temple. Miss Dingman will hold an informal conference with the board of directors, committee and staff of the Y.W.C.A. on Saturday morning, to discuss Y work with them. She has been invited to luncheon by the Victoria Ministerial Association on Saturday, and in the afternoon will be the guest of the University Women's Club at tea at the home of Mrs. G. M. Weir.

On Saturday evening, Miss Dingman will be the guest at an informal reception which the Victoria Business and Professional Women's Club will hold in their clubrooms at 8 o'clock.

PERSONAL

Mr. and Mrs. R. C. Anker, 1265 Belmont Road, announce the engagement of their younger daughter, Vera, to Mr. Ian MacDonald, eldest son of Mr. and Mrs. J. A. MacDonald, 343 Michigan Street. The wedding will take place in the spring.

President J. C. S. Denniston and members of the P.O. Mass at the Royal Canadian Naval Barracks were hosts Sunday afternoon at the first of the series of Christmas season receptions given by kind permission of Commander G. C. Jones, Mr. J. Scarfe, president, and a delegation of officers and members of the Victoria branch of the Army and Navy Veterans of Canada were guests at yesterday's function. A musical programme was given and, during the afternoon, a tournament was staged for the billiard players.

Guests at the Empress Hotel over the week-end included: George A. Davidson, Montreal; Mr. and Mrs. B. Brown, Vancouver; Arthur V. Allen, Los Angeles; Mrs. A. S. Gentile, Vancouver; Miss J. A. Tupper, Seattle; Mr. I. G. Macbeth, Whittier, Calif.; Mr. D. D. Munro, Vancouver; Mr. and Mrs. L. J. Lambert, Manila; Mr. Murray Hanna, Mrs. P. O. Sills, Vancouver; Mr. P. W. Wickman, Lihue, Hawaii.

Among the guests registered at the Dominion Hotel are: Mr. Fred C. Bass, Miss Barbara Tremblay, Vancouver; Mr. G. M. Stuart, Cadboro Bay; Mr. L. Tammy, Nanaimo; Madame Bion, Ganges; Mr. Dack Sykes, Esquimalt; Mr. Bob Kruse, Mr. Balor Smolinski, Portland Ore.; Mr. Bill Libke, Tacoma; Messrs. Ed. Nicholas, Edmonton, Alta.; Mr. and Mrs. H. Tyler, Mr. D. W. Price, Vancouver.

CHINESE A.Y.P.A.

The fortnightly meeting of the Chinese branch of the A.Y.P.A. took place on Friday evening in the new Good Hope Mission Hall, Cormorant Street, after the opening worship period an interesting address was given by Mrs. B. Field. The president introduced and welcomed two members from the St. John's A.Y.P.A., who were present to supply information about their amateur show on December 8. Miss Edna Lowe was chosen as a scrutineer for the Chinese branch for that occasion. Following the announcement of the St. Mark's "at home" on December 13, and the report on the last social, the meeting adjourned with benediction by Rev. C. Lee. After the meeting various musical games were enjoyed by everyone present.

When a train from the suburbs of Paris is late, officials give out slips showing the exact time of arrival so commuters will have evidence to explain their tardiness to employers.

ST. PAUL'S TO HAVE SOCIAL

Next Wednesday evening will be an evening of sociability and fellowship for the members and friends of St. Paul's Church in commemoration of Jubilee year of the Presbyterian Church in Canada.

A short programme beginning at 7.45 o'clock will be contributed by the members from the different organizations of the church. The Rev. J. Mackie Nixon will be the guest speaker.

Winston Churchill's Daughter in Chorus

London, Dec. 2.—Miss Sarah Churchill, twenty-one-year-old daughter of Winston Churchill, has become a chorus girl.

"My parents are putting up no objection," she told newspapermen. "I made up my mind to become an actress when I was in socks." So also, auburn-haired Sarah has started rehearsing for a new West End show as one of "Cochran's Young Ladies."

Oak Bay Friendly Help Grateful

There was a very encouraging response to the invitation to the annual shower held by Oak Bay Friendly Help Association to supplement the financial drive now being carried on. In addition to the splendid contribution of food-stuffs by the children of the Willows and Monterey Schools, the following also donated groceries, clothing and bedding: Oak Bay Police Force, Messdames Llewellyn Thomas, Mangin, E. J. MacLaughlin, Edwards, Thompson, Cecil Abot; Mr. and Mrs. Gordon Paterson; Messdames T. W. Paterson, R. W. Gibson, Graham, Broome, Thorpe-Douglas, J. W. Bell, Barnes; Master Brian Crane, Mrs. Robert Scott, Miss M. A. Cassidy, Mr. Tolson; Messdames Weir, Alex. J. Watson, O'Halloran, G. S. Ford, J. E. BAPTISTE IN FEATURE BOUT

Baptiste Paul and Babe Smallinski, both wrestling at 198 pounds, although billed for the second spot on the bill, provided the big feature at the Tillicum mat show Saturday evening when they wrestled to a draw.

The "Babe" who hails from Portland got a fall following a hammer-

lock in the second. Baptiste evened up with an Indian deathlock in the last frame. Both men went all out for a victory from the first gong, and although there was plenty of free mixing, on the whole it was a clean bout, except for one occasion when Baptiste hit high and they continued a fight outside the ring.

Baptiste was a great favorite with the crowd, and Fat Griffin probably let this run away with his judgment. Much to the Babe's disgust Griffin repeatedly stepped between the wrestlers when Babe had Baptiste groggy.

Bob Kruse took four rounds to get the better of Rocky Brooks. In the

second round Bob got on a series of headlocks and then floored Rocky. Rocky made Bob quit with a hammerlock in the next round. In the next Bob swung an elbow to Rocky's jaw and made him groggy, and then pinned him to the mat. In the tests of strength Rocky had more than the best of it, but the talkative Portland man found his greater experience a valuable asset.

George Lowe won over Legs Hay when he tied him up with Indian deathlocks in the third and fourth rounds. Hay got a fall with flying tackles and a drop kick.

The bout between Reg Hopkins and V. Lane was stopped when Hopkins cut his head with a bang against the post.

Much Discussion In British Press

(Continued from Page 1)

represented only his own personal opinion and his views as a member of the committee, and not the views of the Canadian Government," said Mr. Lapointe, acting as Prime Minister in the absence of Mr. Hon. W. L. Mackenzie King on a brief holiday.

STATEMENT OF OCTOBER 29
The statement recited Canada's position set forth by Prime Minister Mackenzie King on October 29, in which the government declares its "continued and firm adherence to the fundamental aims and ideals of the

League of Nations, and its intention to make participation in the League the cornerstone of its foreign policy in the general field."

It recalled Canada's opposition to the view that the League's central purpose should be to guarantee the territorial status quo and to rely on force for the maintenance of peace. Also the announcement reiterated that while Canada was prepared to co-operate in the imposition of economic sanctions, it did not recognize any commitment "binding Canada to adopt military sanctions, and that no such commitment could be made without prior approval of the Canadian Parliament."

After this reference to the October 29 announcement yesterday evening's statement continued:

"Since that date the government on October 31 put into force an embargo on the export of arms and munitions to Italy and on the same date devised voluntary measures to insure the prohibition of loans and credits. On November 15 by an order-in-council coming into operation on November 18 an embargo was placed on all imports from Italy. The provisions with respect to loans and credits were validated and the export of key-commodities on the list as Nations was prohibited."

"With regard to the further application of the measures already adopted by the League and the possible extension of the scope of such measures the Canadian Government has not departed in any way from the

position as stated by the Prime Minister on October 29.

"The suggestion which has appeared in the press from time to time that the Canadian Government has taken the initiative in the extension of the embargo on exportation of key commodities to Italy, and particularly in the placing of a ban on shipments of coal, oil, iron and steel, is due to a misunderstanding."

KEY COMMODITIES

The statement recalled the embargo on key commodities and financial transactions which the government has already imposed, pursuant to the League's adopted policy of economic sanctions, and asserted that "Canadian action and participation by the Canadian Government has

been and will be limited to co-operation in purely financial and economic measures of pacific character, which are accepted by substantially all of the participating countries."

"The government is not taking the initiative in proposing the extension of the measures with regard to the prohibition of exportation to Italy and does not propose to take the initiative in such measures."

AS PROBLEMS ARISE

"With regard to future developments Canada will continue with other members of the League of Nations to consider the changes in the situation as they arise, including any proposal for the revision of economic sanctions."

Boston and Chicago Register Victories In Major Hockey

THE SPORTS MIRROR

IN CANADA there is more than a joking relationship between horses and skates. Hockey club owners and officials have racing stables. Even some of the players have one or more horses. If memory serves, Nels Stewart a few years back picked up a sad-eyed equine for a few dollars and won a fair-sized purse with it the first time out. Tommy Gorman, the man of a few million words who led the Chicago Black Hawks and Montreal Maroons to Stanley Cup victories in successive years, is a racing official in Canada.

Red Dutton, the playing manager of the star-studded Americans, has or had the largest stable of horses among the hockey clan. But Red's horses—numbered in the hundreds—never carried his colors past the winning post. They were the heavy harness type and he hitched them to the race-trucks and dump-wagons he used in his contracting work in the Calgary region.

Butch Keeling had last summer what one observer referred to as "a couple of old stags" that he used to send to the races. It was at Woodbine in September that Owner Keeling decided to add to his turf string. Connie Smythe started a horse named Dedication in a claiming race and nine "halfbreeds" were grouped to grab at Dedication after the horse came down in front. Lots were drawn and it was Owner Keeling who came up with the lucky number and led Dedication away to the Keeling stable, with Conny Smythe trailing along and shaking his fist.

A sparkling performance so far this season by Red Metz upholds the policy of Conny Smythe of the Toronto Maple Leafs of elevating youngsters from junior ranks to major league professional hockey company without intermediary steps. Several managers looked askance at Smythe that year he put Maple Leaf uniforms on the youthful Charlie Conacher and Harvey Jackson, but it seems a good idea to him at the time. Subsequent events proved it a most excellent idea, and the showing of Metz to date has been such as to make a similar course of action a good gamble.

Another feature of the Toronto team's play this season has been the work of Andy Blair on defence. Blair, not so long ago for sale, with no anxious bidders to make a deal interesting, appears to have earned the right to remain with the team. Whether his retention was good judgment or force of circumstances, the fact remains that he is not likely to be allowed to depart unless his play suddenly falls far below its present standard.

American baseball for England next summer, with a professional league for Greater London teams is the ambitious programme, decided upon by the National Baseball Association. Teams will be formed at Wimbledon, White City, Wembley, Harringway, Hackney, West Ham and Hendon. The first meeting of the new league will be held in London shortly when details such as the amounts to be paid to the players will be discussed. In the north of England the professional league has also made great progress. There are many hundreds of players and the attendance, in most cases, have been excellent.

Yorkshire will have its own professional league next summer, while a second division will be added to the north of England league. A large number of new amateur leagues have come into existence in London, and it is believed that at least fifty amateur clubs will play in London alone. It is not the present intention to import players or coaches, but to use the many Canadian and American ice-hockey players as the nucleus of sides. Those behind the scheme are, it is claimed, visualizing the day when international matches will be played between Britain and America.

M.C.C. Players Hold Big Lead

Brisbane, Australia, Dec. 2.—Queensland requires 191 runs to avoid an innings' defeat in the cricket with the touring Marylebone Cricket Club team, which concludes to-morrow. Batting first the home players were dismissed for 201 runs, the visitors making 558 in reply. At the close of play to-day Queensland had lost six wickets for 161 runs in the second innings.

Former Shutout Rangers; Hawks Whip Canadiens

Bill Cowley and Cooney Weiland Net Goals to Defeat New York Team

Frenchmen Lose By Lone Score

Swiftly sliding toward a cellar spot, Montreal Canadiens surveyed their National Hockey League forces to-day and found little but gloom in the picture. If Manager Sylvio Mantha doesn't decide to reinforce it will be only because he believes the return to the game of Irvin Frew and Pete Lepine will give Habitants the strength they need.

Saturday night Canadiens took the worst lacing any team has had, so absorb this season as Toronto Leafs beat them 8 to 3 and then went on to Chicago Sunday to be shut out, 1 to 0, by Black Hawks. Coupled with New York Americans' 2 to 1 win from Boston Saturday, the double defeat left the Montrealers only two points up on America.

Boston, only other team to play twice over the week-end, came out of the tough schedule spot in better shape, winning 2 to 0 from New York Rangers in Boston yesterday evening after dropping the game to America. The world champion Montreal Maroons took second place in the Canadian section from Habitants by defeating Detroit 3 to 2 at Montreal Saturday.

SCORE TWO EACH

Nick Metz and Joe Primeau, with two each, led the parade of Toronto goal getters and Pep Kelly, Buzz Boll, Bill Thomas and Harvey Jackson brought up the rear, with a marker each. Armand Mondoy fired two of Canadiens' goals past George Hainsworth and Jack McGill got the other.

Mantha's team put up a better fight at Chicago but were never able to beat young Mike Karakas, still subbing for Lorne Chabot as Chicago's goalie. Eddie Quette got the only goal of the game early in the second period.

It looked like Detroit would carry Maroons into overtime in the game at Montreal Saturday until Maroons ran in two quick goals late in the final period, Bob Gracie and Jimmy Ward counting.

Only 7,500 persons saw Americans score their second win of the season at New York Saturday. Passing well, Americans got goals through Eddie Wiseman and Harry Oliver in the first two periods and then threw up their defenses. Red Beattie scored the marker to tie the score in the third period.

Bruins' losing streak had reached three games when they came home Sunday to meet Rangers in the first Sunday National League game in Boston's history. They won with Bill Thomas' second period marker and Cooney Weiland's score in the third. Summaries follow:

DETROIT WINS OVER LONDON

Western Leaders in International Hockey Whip Canadian Squad 6 to 2

Windsor, Ont., Dec. 2.—Frank Nighor is ready to hoist the distress signals at Fort Erie, home of the Buffalo Bisons of the International Hockey League. He needs a couple of defence players so Gameday and Tiny Teasdale who have gone through the season practically without relief so far can have some respite from the hockey war.

When the pair crumbled in Fort Erie Saturday night, the Windsor Bull Dogs romped through for a 6 to 3 victory and handed the Bisons their third setback within a week. Meantime London Tecumsehs, leaders of the league's eastern section, dropped their game in Detroit with the Olympians yesterday evening 6 to 2.

Returning home from Cleveland, where they lost 3 to 2 to the Falcons in a surprise upset Saturday after winning five straight, the Olympians got going in fine style before the largest crowd of the season. The win strengthened their hold on first place in the western division.

Windsor moved on to Syracuse for a Sunday night game, but were forced to divide the points with Eddie Powers' stars after falling to break a 2 to 2 deadlock.

Goodyear Pettenger was the chief gainer in the Olympic victory, amassing four points with two goals and an equal number of assists. Detroit's passing attack continually split the London defence.

The previous night in Cleveland a couple of goals by Normie Schuits proved the big factor in the Falcons' win.

Ken Doraty gave the Stars a one-goal lead at Syracuse, but Webster evened in the second period and each team counted in the third.

Second period—1, Chicago, Quette (Levinak-March), 2:25. Penalties: Runge, Cook.

Third period—No score. Penalties: None.

STRANGE AS IT SEEMS

—By John Hix

Jerusalem, the Holy City, is holy not only to Christians, but to Jews and Mohammedans alike. Christians look to it as the city made holy by Christ when he preached his new religion to the people of the Holy Land. Jews think of Jerusalem as a holy city because there Solomon built his temple. To Mohammedans Jerusalem is next in importance to Mecca as their holy city, for it was from Jerusalem, according to their teaching, that Mohammed ascended to heaven. Thus, to followers of the three great religions of the world, the city of Jerusalem is a holy city.

Bays-Wanderers In Rugby Lead

This Quail Must Have Been Blind

Arkansas City, Kan., Dec. 2.—This is the story Robert R. Cox, refinery executive, says he has three witnesses to prove: While hunting, a quail dashed itself to death against his shotgun muzzle.

Joe Addison's Lone Try Gives Combined Team 3 to 0 Victory Over Navy; Penalty Goal by Each Side Leaves Fifth and Garrison in Deadlock

Those much-travelled legs of Joe Addison, crack Canadian quarter-miler, making their first appearance on a rugby pitch this season, ran the Bays-Wanderers colors to the top of the most as Victoria embarked on its second-half senior oval ball schedule at Macdonald Park on Saturday.

Addison scored the only try of the major loop to give his team a 3 to 0 verdict over the Navy, while the Fifth Brigade, winners of the first-half championship, muddled through a bruising game against the Garrison to a 3 to 3 draw, both teams scoring on penalty placements.

In the senior B division, the Navy ran up another win over the Garrison, the score reading 18 to 0. As a result of the fixture, the sailors won the two-team series.

The Garrison were lucky to gain their tie with the more aggressive Tommykins. The straw that broke the back of the Garrison was a kick in the injury lists, with Bob Quinn, well-liked coach, being removed from the field early in the second half with a slight concussion. Earlier in the game "Iron" Bill Wharton sustained a kick in the head, but kept right in the fray when bandages were applied.

The Garrison moved up too fast on the Gunneders to let them use a backfield which was filled in by lighter, greener players, while several Tommy three-quarter movements were halted by the fast-breaking Fifth Brigade forwards.

The soldiers started away on a rush from the kick-off, but could not press the advantage of misplaced Fifth Brigade kicks.

Well on in the half Bob Engleson got away with the ball at his feet and picked up what looked to be a certain try between the Garrison posts. He was held out and the Garrison forced back on kicks.

GUNNERS TAKE LEAD

The Gunneders returned and secured a free kick thirty minutes from the start when Shone, Garrison, crawled with the ball in his own half. McInnes made no mistake with a kick and the Gunneders led 3 to 0.

Fleming put up some nice broken field running that looked good, but did not count for scores as he tried to go through himself.

Following Quinn's injury in a defensive play, the Garrison forced down and secured a free kick in front of the Gunneders' goal ten minutes from the rest interval. Watson sent the ball skimming over the crossbar to tie up the score.

The Garrison kept up pressure, but dropped a good chance to win on another placement. Watson missed a field goal attempt shortly after.

At the end of the game the Fifth opened up an attack but could not get through the rugged Tommy defence.

C. E. Ley refereed and the teams follow:

Garrison—Loveless, Quinn, Stewart, Watson, Buxton, Shone, Martin, Hatch, Wharton, Hall, Featherstone, Lee, Rowton, Croft and Patterson.

Fifth Brigade—McInnes, Copeland, Halkett, Bridge, Winsby, Fleming, Stipe, Buller, Johnson, Mair, Stewart, Doswell, Eastham, Simpson and Engleson.

The Bays-Wanderers pushed into Navy territory on short runs and kicks until the hard-headed Navy cleared and began a strong backfield offensive.

BAYS-WANDERERS WIN

Bays-Wanderers, using short-run, short-kick plays, pressed hard again to make a second invasion. A nice on-side kick gave them their first chance to score, but the reliable clearing of Hibbert and Robinson of the Navy saved the situation.

The only score of the game came thirty-five minutes after the start, and was made by Addison after a broken Bays-Wanderers run, which culminated in the fleet-footed winger circling the Navy backfield and running up the touch line for the lone try.

SPEED UP PLAY

The second period saw play speed up considerably and the Navy on the defensive more or less throughout the rest of the game. Wanderers nearly scored again with their kick-and-run game, but the sailors managed to hold them off until the final whistle blew.

Audrey Walls refereed. The teams follow:

Navy—Robinson, Hibbert, Stagg, Stubbs, Freeman, McRae, Swintson.

METHODISTS ARE CHOSEN

Southwest Champions to Meet Stanford in Rose Bowl Football Classic

Associated Press

Stanford University, Calif., Dec. 2.—Southern Methodist, gridiron conqueror of the United States southwest, was Stanford's choice to-day for the Rose Bowl classic at Pasadena on New Year's Day.

Selection of the Mustangs and their acceptance of the bid from the Pacific Coast Conference representative ended a week of speculation as to the challenging eleven.

Southern Methodist, undefeated and untied, is the first team west of the Mississippi ever chosen as an "eastern" representative in Rose Bowl play.

Noted as an eleven that uses forward passes as an integral part of its play, it earned the bid Saturday when it defeated Texas Christian previously undefeated squad, 20 to 14. Although Stanford lost to the University of California at Los Angeles, 7 to 6, in an early season game, it walloped California 13 to 0.

New York, Dec. 2.—In any order you like, but Minnesota, Southern Methodist and Princeton at the top of the national football standings to-day, congratulate S.M.U. on its selection for Rose Bowl duty against Stanford, hall Army for its spectacular return to service supremacy and then reflect on the virtual wind-up of the greatest season the game ever has enjoyed.

Although not strictly upsets, the smashing victories Saturday of Southern Methodist, Princeton and Army were entirely in character with a season notable principally for its disregard for scores.

Scores follow:

EAST

Princeton 38, Yale 7.

Army 28, Navy 0.

Western Maryland 14, Georgetown 10.

SOUTH

Kaborn 27, Florida 6.

Georgia Tech 19, Georgia 7.

Louisiana State 41, Tulane 0.

Mississippi 14, Mississippi State 6.

SOUTHWEST

Southern Methodist 20, Texas Christian 14.

Bayor 8, Rice 0.

FAR WEST

Idaho 8, U. of California at Los Angeles 18.

Washington State 7, St. Mary's 7.

ROYALS STILL SEEK PLAY-OFF

Quebec Hockey Leaders Continue to Protest Port Arthur's Selection

Montreal, Dec. 2.—Quebec's claim that Montreal Royals are entitled to a playoff with Port Arthur Bear Cats before the middlewesterners leave for the Olympic Games was advanced another stage yesterday.

A committee of four drew up a message which was sent by Alphonse Therien, secretary-registrar of the Quebec Amateur Hockey Association to all branches of the Canadian Amateur Hockey Association.

The message urged the "rights" of Royals be taken into consideration; stated Royals would refuse to allow any of their players to bolster the Bear Cats, and asked that the C.A.H.A. reserve its hand and order a playoff between the two teams with the winner being declared Canada's representatives.

ESQUIMAULT MEETS

The Esquimaux football club will hold its monthly meeting to-morrow evening at 8 o'clock in the clubhouse.

Torchy Peden and Norman Hill Lead In New York Bike Race

Move Ahead At Start To Hold One-lap Margin

Famed "Red Devil" Team of Letourner and Debaets in Second Place

Spencer-Winter Lead in Points

New York, Dec. 2.—Giant William "Torchy" Peden, flying red-head from Victoria, B.C., and his California partner, Norman Hill, were setting the pace for the classic field of riders in New York's international six-day bike race, which started here yesterday evening. The Canadian-American pair had a one-lap lead.

In second position was the famous "Red Devil" duo of Alfred Letourner and Gerard Debaets, one lap behind the leaders. Third position was held by Kilian and Vopel, formidable European team and winners of several races in recent weeks.

Point leaders in the event were Spencer and Winter with sixty-eight, Carpus and Malmes with fifty-three and Peden and Hill third with forty-eight.

Fifteen well-balanced teams started the whirl around the pine saucer on the firing of the starter's gun.

Standings follow:

| | M. | L. | Pts. |
|-------------------|-----|----|------|
| Peden-Hill | 242 | 7 | 48 |
| Letourner-Debaets | 242 | 6 | 21 |

DOMINOES IN EASY VICTORY

Defeat Tacoma Heidelberg Quintette 45 to 24; Art Chapman Stars

Featured by the fine playing of Art Chapman, tip-off ace, who scored thirteen of his team's points, Victoria Dominoes, Saturday evening defeated the Tacoma Heidelberg quintette, 45 to 24, in the main attraction on the Victoria and District Basketball League's hoop card at the High School gym.

In the semi-wind-up attraction, Kingham-Gillespie, intermediate A squad, had little trouble defeating the Trade-A's, 23 to 14. Kingham-Gillespie chalked up ten points in the first half and held their opponents to three. The final stanza saw the losers recover themselves somewhat and score quite steadily at the finish. The opener on the evening's card resulted in the Pan-torium girls defeating Coach Jack Taylor's Kraggs Cardinals, 34 to 18. Sparks was the high scorer for the winners with fourteen points.

Art Chapman was the big man of the evening, thrilling the 500 or more fans with his brilliant successes in dropping the ball into the hoop. Red Martin was runner-up to Chapman with eight points. Ollie Goldsmith and Alex McKeschie also played good ball.

Neil McDougal, Tacoma guard, turned in a good performance. He secured six points. Earl Balcorn, Tacoma forward, dropped in his six points from fine long shots.

Ryden Fridy, lanky centre for the visitors, who did not do so much scoring, played a fine defensive game.

The game was played in quarters. TEAMS CAUTIOUS

The first six minutes of play saw both teams playing warily, with the score tied 2 to 2. Art Chapman, however, broke the deadlock soon after this when he dropped in the ball from the bucket play, and followed up a minute later to click again, which made the score at the first-quarter goal stand 6 to 2 for Dominoes.

McKeschie replaced Peden in the Dominoes line-up at this stage of the game, and Crow went in for Balcorn on the opposing line-up.

Andrews scored from a free throw and Martin netted a basket from a set-up, to open the second period scoring. During this time the visitors had muffed considerably with their long shots, and the passing on both sides was erratic. Neil McDougal secured the second basket for his team.

Recreation Work

It has been decided that the class for men's tap dancing will begin at 9:45 o'clock and that it be confined to men only. This new time will start next Wednesday.

At the ballroom dancing class last Wednesday there were forty men and sixty women in attendance, and an enjoyable and instructive evening was spent.

The following will meet at the Crystal Garden next Wednesday at 8 o'clock for the table tennis fixture: W. Mair, Bob Mair, L. Beschizza, D. Gibb.

Preparations are now being made to hold an "open night" at the High School gymnasium. The date is not fixed yet, but the gymnasium is being applied for about December 14.

Conducting this "open night" will be two gymnastic specialists from Vancouver, and the three local instructors and leaders.

The Soccer League points are: Gold 3, Blue 2, Green 1 and Red 0.

Next Thursday's games are: Gold vs. Red; Blue vs. Green at Central Park at 3 o'clock.

The teams follow:
Gold—Shouldice, Swetnam, Murray, Holtum, Potts, Beschizza, Day, Gar-not, McConnell, Musgrave, Mowat, Irwin and Paterson.

Red—Patterson, Gould, Bealer, Soare, Page, Constable, Milne, Burton, Couch, Ferguson, Lowrick, Cliff, Skelton and Shaw.

Blue—Stokes, Spaven, Paul, Dalimore, Headdy, Nicholas, Banister, Barnswell, Davidson, Moyes, Medler, Crawford and Alexander.

Green—Kluby, O'Connor, A. McBride, G. Sage, E. Sage, Porter, Woodley, Tregalla, Smith, Hampton, Restall, McGregor and C. McBride.

Victoria West In Cup Football Win

Noel Morgan's Goal in Final Minute Gives Greenhirts 3 to 2 Victory Over Victoria City in Milton Cup Final; Trophy Presented at Finish

Ballying after being two goals down Victoria West defeated Victoria City 3 to 2 in the Milton Cup knockout soccer final at the Athletic Park on Saturday afternoon. Noel Morgan, speedy inside left, netted the deciding goal for Dr. Feyn's greenhirts in the final minute of play. The final only attracted a fair crowd and the calibre of football was nothing to write home about.

The City, defending cup-holders, looked like they would make it two straight victories in the early stages of the match, but they wilted badly and the Wests got back on to even terms early in the second half and twice pulled the match out of the fire with a minute to go. Both teams were weakened through the loss of regulars and that had a lot to do with the mediocre play.

CITY DOMINATE PLAY

In the first ten minutes of the match the City forwards swept in continually on the West's goal and Restell, between the sticks, had one busy time. The redshirts came close twice when Jack Payne just missed the post and Pearce sent in a high lob that Restell had trouble clearing.

The City continued to hammer in shots and were finally rewarded when Eddie Morgan scored with a hard drive from the right wing.

Shortly after the centre-off Morgan had a fine opening but missed the net with his shot. At the other end Jack Payne pushed the ball out of Restell's hands, but it rolled wide of the net. Restell came to his team's rescue

with five minutes to go from half-time, and was promptly followed by Court Gibson scoring to make the score stand 9 to 6.

Just before the end of the game, two successive baskets by Goldsmith, McKeschie and Mottishaw gave the locals a wide lead. The score stood 16 to 6 at the interval.

Ed Grant's fine long shot from the side opened the scoring at the resumption of play. For a while here the Dominoes attempted long shots and were away off. Soon after, however, they abandoned their wild attempts and Art Chapman came through to score two single-effort baskets.

The Dominoes kept up the pressure during the rest of this quarter and secured 27 to 16 majority at the end of the third period.

The last stanza was practically all clear sailing for the locals, who dropped in the ball almost at random and secured twenty points, and held their opponents to eight.

A very noticeable feature during the match was the clean play of the Dominoes. They were not charged with a single personal foul.

Alan Le Marquand and Fred Harding refereed the feature attraction, while Wally Stupe assisted Le Marquand with the preliminaries.

The line-ups and individual scores follow:

Dominoes—A. Chapman 13, Mottishaw 2, Andrews 3, McKeschie 5, C. Chapman 4, Peden 4, Martin 8, and Goldsmith 6. Total 45.

Tacoma Heidelberg—Fridy 2, Grant 4, Crow 2, McDougal 6, Gibson 4, and Balcorn 6. Total 24.

Shawnigan Lake School beat University School 30 to 0 in a school rugby game at the lake grounds on Saturday.

Shawnigan started with a great rush and in less than two minutes had scored their first try by McIntosh. It was not converted.

Shawnigan continued to attack but some good tackling by the University School outlaws kept them out. Whittle attempted to drop a goal.

The ball rebounded off one of the opponents' back, and Whittle caught it and went over for a good try, which he himself converted.

A short time later Shawnigan scored two tries, both by Mackie, Reynolds converting one with a good kick. Soon after the resumption, Mackie again scored. The University School then attacked strongly.

Newton, Shawnigan, made a good opening to the going up. He gave the ball to Smith who went over. The kick again failed. Torland, Shawnigan, scum-half, was injured and had to go off. Whittle, replacing him, got several good movements going; three more tries came in quick succession, all the kicks failing, then the University School took the play to the half-way line, but were driven back and just before time Whittle went over for another try, which Reynolds converted.

For Shawnigan, the forwards played well, and Newton, Whittle, Mackie and McIntosh were outstanding. For the University School Teagle was a tower of strength, and did his best to stem the tide.

Shawnigan Lake School Second XV played Brentwood Second XV at Brentwood. The hard-fought and interesting game resulted in a 6 to 6 draw.

Al McCoy Will Meet Bob Olin

New York, Dec. 2.—Al McCoy, rugged French Canadian light-heavyweight, who was unexpectedly upset here Friday evening by Jock McAvoy, the British champion, will meet Bob Olin, former world titleholder, in Montreal on December 10.

Jules Radock, Montreal promoter, who attended the McCoy-McAvoy bout, announced afterward that he had completed articles for Olin to appear against the habitant in the Montreal Forum.

Olin, a hefty New York belter, was shorn of the title some weeks ago by John Henry Lewis, California negro.

PORTLAND IN HOCKEY WIN

Defeat Edmonton 4 to 3 in Northwest League; Morrie Rimstad Injured

Portland, Ore., Dec. 2.—Portland paced the Northwest Ice Hockey League again to-day following a 4 to 3 victory over Edmonton here yesterday evening in a game punctuated with flying fists and flailing sticks.

Morrie Rimstad, Edmonton centre, suffered a slight concussion when he was knocked down and crashed into the end of the rink. He received treatment at a hospital and was discharged in time to join the team on its return.

Lea Whittles, Edmonton, and George Pratt, Portland, were sent to the cooler five minutes when they engaged in the major stick fight of the night.

First period—1, Portland, McCartney (Jemson), 13:32; 2, Edmonton, Holmes, 13:35. Penalties: Sutherland, Blythe, McCartney and Gray.

Second period—3, Portland, Pratt (Jemson), 4:00; 4, Portland, Hemmerling (Arbour), 6:35. Penalties: Townsend, Pratt, Whittles and Sutherland.

Third period—5, Portland, Hemmerling (Blythe-Lyon), 6:58; 6, Edmonton, Townsend (Mercer), 8:45; 7, Edmonton, Caron (Holmes), 15:37. Penalties: Whittles, Pratt (five minutes each); Sutherland, Martin, Townsend and Hemmerling.

Go Paterson sent up a perfect on-

side kick and Huck Welch sprinted into the end zone and caught it. It was a flashback to the good old days and the very modern Sarnia team was caught flat-footed.

Only a few minutes later, after Stirling had booted the Tigers back into their own territory, Ferraro picked up a punted ball at his twenty-yard line and the Tigers set it down behind the Sarnia goal line for the second time.

Ferraro started the ninety-yard movement, beating off a half-dozen dazed tacklers and lateral passed to Wilson, who sprinted the rest of the way.

TOWARDS TOUCHDOWN

Towards the end of the third period, Ferraro got his hands on a forward pass thrown by Rocky Parascas and the Tigers swung downfield towards a third major score. Johnny got into the open quickly this time and when he was trapped near the east sideline a lateral pass sent Frank Turville steaming down to the eight-yard line.

On the first play in the fourth quarter, Ferraro threw a long lateral to Welch, who slipped around the end and over the goal line without a hand being placed on him.

Sarnia's line, starting as slight favorites, was bewildered by the Hamilton thrusts, developing as they did out of Sarnia attacking plays. They had an answer to nearly everything else except the great Ferraro and his ability to diagnose plays.

Ferraro Brilliant In Hamilton Win

Turned in Outstanding Performance As Tigers Defeated Sarnia 22 to 3 for Eastern Canada Football Championship Saturday

By ELMER DUMAGE
Toronto, Dec. 2.—The hard-bitten, heads-up Hamilton Tigers, getting better as they go along snatching up gridiron opportunities, held the eastern football championship for the third time in five years today. The fact was a tribute to the singular way they play football in Hamilton, and nowhere else.

Outrushed from scrimmage and even outkicked by Bummer Stirling in the eastern final here Saturday, the Tigers lifted the title from Sarnia Imperials just by playing every opportunity to its limit. The score was 22 to 3, a count as astonishing as the 44 to 4 figures from the Hamilton-Queen's game the previous week.

The Tigers couldn't gain through the wingline worth a lick in the first half as the well-drilled Canadian champions methodically worked out a 3 to 2 lead amidst much fumbling on both sides. Sarnia failed to make two field goals from well within shooting distance and it looked as though sustenance would triumph over the Hamilton type of football.

GREAT RALLY

But Imperials made another fumble early in the third period and there was no system the Tigers couldn't solve after that. Johnny Ferraro, who probably was a Tiger at heart before he ever left Cornell University for Hamilton, started a typical Bengal rally that only ended after the third touchdown was scored.

Ferraro fired a twenty-eight-yard forward pass to Seymour Wilson to capitalize on that early third-period bobby by Imperials. Wilson was brought down two yards from the Sarnia goal line. Brian Timmis and Wilf Paterson tried to slam through for a touchdown and lost four yards between them. It became apparent that ordinary attacking methods wouldn't do.

NEWS IN BRIEF

On two charges of gross indecency Ernest Franklin was remanded until Thursday when he appeared in the City Police Court this morning.

Theft of sixteen sacks of coal from his woodyard on Discovery Street by the week-end was reported to city police this morning by W. B. Fairclough, 564 Yates Street.

A quantity of meat and two pounds of butter were stolen by thieves who prowled a cooler at the home of G. L. Agnew, 1178 Oscar Street, on Thursday and Saturday evenings, according to city police reports.

Basketball and roller hockey delegates of the Royal Juvenile Athletic Association will meet to-morrow evening in the Colonial boardroom at 7:30 o'clock. All delegates are requested to attend.

On a charge of retaining a stolen overcoat in his possession, Gilbert Ingram pleaded guilty in the City Police Court this morning and was remanded until to-morrow. The coat was owned by B. Webb and taken from a local dance hall.

Ward Five Liberals will meet at Liberal headquarters, Government and Broughton Streets, at 7:30 o'clock Wednesday evening. The meeting is being held half-an-hour earlier than usual to permit time for a social evening and card party later.

Three agreements under the Better Housing Act were completed to-day when the provincial government made statutory grants of \$300 to persons in Vancouver, West Vancouver and Vernon who had carried out their obligations under building schemes.

Edward McCabe, Prospect Lake, suffered a dislocated shoulder when he fell down stairs at the Metropolis Hotel on Saturday night, according to a city police report. He was taken to the Jubilee Hospital where he was attended by Dr. E. L. McEwen.

By order-in-council to-day, the provincial government gave a dredging lease of three miles of mining ground north of Pine Creek between Discovery City and Halfway House in the Atlin Mining Division, to Len Staples. The rent is \$50 a mile and a yearly expenditure of \$1,250 per mile.

The Victoria Horticultural Society will hold its regular monthly meeting in the City Hall at 8 o'clock to-morrow evening. E. W. White, district horticulturist, will give a practical demonstration on the pruning of fruit trees. Anyone interested is invited to attend.

Preparatory action governing any new arrangement for the disposal of city garbage was sought in a letter placed on the City Council file by the city engineer to-day. The communication draws to the attention of the council the fact that the existing contract will expire on January 2.

A car owned by Cassel Modiste, Kokilah Indian, stolen from Johnson Street, near Government, yesterday, was recovered this morning near the Uplands, according to reports from the Oak Bay and city police. The machine had been abandoned and reported undamaged.

Foreshore rights for a private landing at Harrison Lake were leased by the government to-day to C. Inkman, F. E. Inkman and Beatrice M. S. Inkman, rental being \$12.10 per acre. The lease is for a period of 104 years at William's Landing, Howe Sound, was set aside for the Dominion Department of Public Works.

Charged with failing to comply with taxi fare regulations governed by city by-law, Frank Oliver of the Blue Line Taxi Company was dismissed when he appeared in the City Police Court this morning. Ernest Franklin and Timothy Kerswell, who appeared as informants, could not identify the accused as the driver of the car in which they had ridden and paid less than the minimum fare.

Pleas for roller skating surfaces in Victoria's parks, where young people could play roller hockey, were advanced to-day in a letter to the City Council from the Royal Juvenile Athletic Association over the name of W. O'Connor, secretary. The letter drew the council's attention to the traffic menace caused by children playing hockey and roller skating on the streets and stated the association believed asphalt surfaces could be put in parks at a comparatively cheap rate.

The electric light committee will recommend the installation of an arc light on Esquimalt Road, at the junction of Tyee Road and Langford Street, at a cost of \$50, to the City Council this evening.

The meeting of the Esquimalt Council scheduled for to-night has been postponed until next Monday.

LEMONS HIGHER DUE TO SANCTIONS

The first effects of the sanctions applied by the League of Nations against Italy are being felt in Victoria with the rise in price of lemons.

On account of Great Britain buying her lemons from California instead of from Sicily, prices have risen from twenty-five cents to seventy-five cents a case, according to information received on wholesale row to-day.

Memorial to Earl Jellicoe

Impressive Service Held for Noted Sailor in St. John's Church

Attended by Lieutenant-Governor Fordham Johnson, Commander George C. Jones, senior officer of the Esquimalt Naval dockyard; Sir Percy Lake, Sir Richard Lake, the presidents of the veterans' organizations and women's auxiliaries, one hundred and ten officers and men from the naval barracks, and a detachment of the Princess Pats from Work Point Barracks, an impressive memorial service was held in St. John's Church on Sunday evening for the late Earl Jellicoe of Scapa.

The service opened with the singing of the hymn "Who Are These Like Stars Appearing," followed by the opening sentences of the burial service, the reading of the 23rd Psalm and the lesson from Corinthians xv, verse 20. The anthem, "What Are These" (Stained), was given and preceded the address by Rev. Canon P. A. P. Chadwick, the hymn "O Valiant Heart" was sung.

The text of the sermon was from Kings x, verse 22, "The King had at sea a navy."

Canon Chadwick gave a brief sketch of the British fleet as the shield of empire, explaining how it had in the past defended civilization from military tyranny and had preserved the freedom and independence of the nations. He spoke of the Battle of Jutland, the mightiest engagement in the annals of the sea, and how God ought to be thanked on that occasion the King had at sea a navy.

Earl Jellicoe, he said, was not only one of the greatest naval heroes of the empire, but also a devout and loyal Christian.

"We join to-day," said Canon Chadwick, "with countless others throughout the empire to pay our reverent tribute to the memory of this illustrious sailor and form the high resolve that we shall endeavor to perform our duties to church and state as did Earl Jellicoe of Scapa."

The service closed with the singing by the congregation of the hymn "For All the Saints." The "Dead March in Saul" on the organ and the sounding of the Last Post and Reveille.

SERVICES ARE HELD BY ELKS

Members of Victoria Lodge No. 2, Benevolent and Protective Order of Elks, with their families and friends, gathered in the lodge room, Sprout-High School Building, yesterday evening for the twenty-second annual memorial service.

Following the opening selection by the orchestra under the leadership of Alfred Prescott the memorial service was put on in impressive fashion by the officers of the lodge. The members of the lodge joined in the singing of the opening ode.

Deliverance of the invocation was by A. Paton, chaplain of the lodge. Rev. Dr. Gerald B. Switzer, Oak Bay United Church, delivered the memorial address. He said the world was a great mystery to him, and he was coming more of a mystery each succeeding year. Religion made no attempt to explain this mystery, but sought to help mankind overcome the many difficulties that arose during the course of a lifetime. He also related how some of his own friends had been forgotten while others remained through the span of life.

After the closing ceremony Mr. Switzer delivered the benediction. Hymns sung during the evening were: "Nearer My God To Thee" and "God Save the King." Ages Ago Solos were rendered by Mrs. T. R. Bowden, Thomas Kelway and A. Jackson.

GRANDSON OF DOUGLAS DIES

Reginald W. D. Harris, Canadian Pacific Railway yardman, was instantly killed yesterday when he is believed to have fallen between two box cars during shunting operations in a dense fog.

Harris was on top a string of box cars being moved into a siding, and when the crew of the yard engine returned to the siding the body was found on the track.

He is survived by the widow, a brother, Chester, and two sisters, Miss Hilda Harrison and Mrs. Commander Oland of Victoria.

An inquest will be held Tuesday. The death of Mr. Harris broke another link between the city to-day and Victoria of the time of Sir James Douglas, first Governor of British Columbia, whose grandson he was.

Born in Victoria, the son of the late Mr. and Mrs. Dennis R. Harris, the late Mr. W. D. Harris was educated in local private schools and served for some time with the Bank of British North America. He later joined the C.P.R. service with which he had been identified for many years.

It was understood here to-day funeral services would be held in Vancouver to-morrow and cremation would follow.

Relief loans of \$25,000 to Barnaby and \$12,000 to the Township of Langley were authorized to-day by the provincial government.

Obituary

ELIZABETH ANDREWS HEPPO

Funeral services were held on Saturday afternoon for Elizabeth Andrews Heppo, who passed away in this city on Wednesday. Rev. Canon H. W. G. Stocken conducted the service, during which the hymn, "Abide With Me," was sung. Interment was in the family plot at Ross Bay Cemetery, with the following as pallbearers: R. Albany, A. Albany, D. Fallardau, T. Albany, H. Kamal and G. Cooper.

MARGARET HOY

There passed away at the Royal Jubilee Hospital on November 29, Miss Margaret Hoy, aged eighty years. A native of Ontario, she had been a resident of Victoria for the last twenty-five years, lately residing at the Aged Women's Home, McClure Street.

The remains are resting at the Thomson Funeral Home, from where the funeral will take place to-morrow morning at 11 o'clock. Rev. T. R. Lancaster will conduct the service, after which the remains will be laid at rest in Ross Bay Cemetery.

MARY SINCLAIR

There was a large congregation of sorrowing friends yesterday afternoon at the funeral of the late Mrs. Mary Sinclair, who passed away on Friday.

Service was conducted at 3 o'clock. Rev. H. P. S. Luttrell officiating, assisted by Dr. W. G. Wilson, during which the hymn "There Is a Land That Is Farther Than Day" was sung.

The casket was covered with a wreath of beautiful flowers, testifying to the esteem in which Mrs. Sinclair was held by her many friends.

The remains, accompanied by her son and daughter, Dr. A. C. Sinclair and Miss Ora B. Sinclair, were taken on this afternoon's boat en route to St. Thomas, Ontario. Service and interment will be held at Fingal, her old home, and the remains will be laid at rest in the family plot there.

Arrangements were in the hands of the Thomson Funeral Home.

DAVID WILLIAMSON

Funeral services will be held to-morrow afternoon at 2 o'clock at McCall Bros. Funeral Home for David Williamson of 614 Bay Street, who passed away at St. Joseph's Hospital on Friday evening, aged seventy years.

Rev. G. A. Reynolds will conduct the services, after which interment will be in the family plot.

The late Mr. Williamson was born in England and had been a resident of this city for the last forty-seven years. He is mourned by his widow, also a daughter, Mrs. George R. Henshall, and four grandchildren at the family residence.

HAROLD CHRISTIAN

In the presence of relatives and many friends, the funeral of Harold Christian, who passed away on November 27, took place Saturday afternoon.

Rev. Canon P. A. P. Chadwick conducted the service, during which Mrs. E. M. Mortimer rendered the solo, "Abide With Me," and the congregational hymn was "Nearer, My God, To Thee." The unusual number of beautiful floral tributes testified to the high esteem held for Mr. Christian.

A. Sedgman, G. Leckie, L. Sharp, G. Leckie, A. B. McKee and H. Williams acted as pallbearers. The remains were laid at rest in Royal Oak Burial Park.

MARGARET KELLINGTON

At the Royal Jubilee Hospital on Saturday evening the death occurred of Margaret Kellington, aged fifty-five years, of 1118 Yates Street. Mrs. Kellington was born in Prince Edward Island and had been a resident of the city for the last eight years. She is mourned by two sons, Thomas and Alexander, and her mother, Mrs. Annie McLeod, at the family residence, and a brother, John McLeod of Salmon Arm.

A funeral service will be held this evening at 7:30 o'clock in McCall Bros. Funeral Chapel. Rev. W. G. Wilson, D.D., will officiate, after which the remains will be forwarded to-night to Salmon Arm, where interment will be made.

LENORE CHAPIN

Funeral services were held this afternoon at the Thomson Funeral Home for Miss Lenore Chapin, who passed away on Saturday, aged fifty-three years. The remains, accompanied by her sister, Mrs. F. T. Fisher, were conveyed on the afternoon boat to Seattle for interment in the family plot there.

G. S. L. LISTER-WILLEY

The funeral of George Shaw Lister-Willey, who passed away at Cadboro Bay on Wednesday, took place Saturday afternoon. Rev. A. M. Acheson-Lyle conducted the service, during which the hymn, "On the Resurrection Morn," was sung. Interment was made in Colwood Burial Park, with the following as pallbearers: F. V. Hobbs, R. Alford, T. Eickson, G. E. Lane, T. Aldridge and L. C. Shaw.

J. EDWIN ORR WILL LECTURE

As a climax to his visit to Victoria, J. Edwin Orr, young evangelist, will speak to-night at the Central Baptist at 8 o'clock.

Sets will be reserved up to 7:45 o'clock for members of the Inter-schools Christian Fellowship Groups and other young people's organizations who will lead the chorus singing.

Mr. Orr is the author of books "Can God Go?" "10,000 Miles of Miracle in Britain," "Prove Me True," "10,000 Miles of Miracle to Moscow." He recently addressed meetings in Toronto filling Messy Hall to capacity.

The theme Mr. Orr will stress in his meeting will be "Revival: The Need—The Possibility—The Responsibility."

Rev. E. D. McLaren Buried To-day

Fine Tribute Paid at Last Rites for Well-known Pastor in Vancouver

Canadian Press
Vancouver, Dec. 2.—Members of the clergy, the Masonic craft, Vancouver Pioneer's Association, and veterans and persons of all walks of life gathered in St. Andrew's-Wesley Church to-day to attend the funeral of Rev. E. D. McLaren, D.D., Pioneer Vancouver pastor.

The services were conducted by Rev. W. A. Cameron, Rev. C. C. Owen and His Grace, Archbishop A. U. Denscher.

Honorary pallbearers were: Mr. Justice D. A. McDonald, Mr. Justice A. I. Fisher, Judge J. A. Forin, W. C. Dittmar, W. H. Evans, George L. Cassidy, George L. Smellie, Donald McLeod, George H. Gibson, H. E. Watson, P. M. Black, John Burns, Col. A. M. Brown, Gen. Duff Stewart and Alderman C. E. Tisdall.

Active pallbearers were Dr. Wallace Wilson, Dr. J. H. Jones, George Derby, Harry T. Logan, Gordon Campbell and R. H. Tupper.

Gravestone services were conducted in Ocean View Burial Park under the auspices of Cascade Lodge No. 12, A. F. and A. M.

Dr. McLaren, first minister of St. Andrew's Church, died last Friday in Shaughnessy Military Hospital. He was aged eighty-five and had devoted nearly fifty years of his life to the service of the church here.

"GOOD CITIZEN"

Dr. McLaren on August 25 last was the recipient of the annual award of the Native Sons of British Columbia for Vancouver's "Good Citizen."

He was an army chaplain during the Great War and for three years served mostly on hospital ships. After the war he was appointed chaplain to tubercular soldier patients at the Transvaal Sanatorium, Kamloops, and later to patients at the Shaughnessy Military Hospital here.

Dr. McLaren was born in Lanark, Ont., in 1850. He graduated from Queen's University, Kingston, in 1870 and held pastorate in Ontario.

In 1888 he came to St. Andrew's, Vancouver, when the newly organized congregation here asked ministers in Ontario to name a suitable incumbent.

In 1902 he was appointed general secretary of home missions, western section, of the Presbyterian Church. In 1912 he became president of the western residential schools, Brammar and Langara, Vancouver. His chaplain service followed in the war.

In the early days Dr. McLaren visited his Vancouver parishioners wearing gumboots and carrying a lantern.

McG. Crump, 2201 Chambers Street, escaped serious injury in an accident at Hillside Avenue and Quadra Street shortly after midnight, Saturday, according to a city police report.

Mr. Crump was driving south on Quadra Street when his car was in collision with another machine driven west on Hillside Avenue.

Police stated the Crump car turned completely around, backed over the sidewalk at the southeast corner, struck the parcel post box, hit the drugstore building knocking goods from the shelves, and finished partly in a vacant lot at the rear of the drug store. The other car finished up at the southeast curb.

MODERN ART MARKS FAIR

Unified Decorative Plan Will Be Feature of Winter Show at Armories

The Bay Street Armory is rapidly turning into one of the finest examples of decorative art ever seen in Victoria.

Twenty workmen are on the job all day, and will work to-night and to-morrow night preparing the booths and decorative scheme for the city's Winter Fair, sponsored by the Tourist Trade Development Association.

The fair will be open four days, starting Wednesday.

The booths are not the usual erections of loose lumber, canvas and crepe paper. They all form part of a unified architectural plan, on modernistic lines.

Long sweeping lines and a surprising solidity in the booths seem to enlarge the armory to twice its real size. The color scheme is in rose and silver, with indirect lighting adding to the effect of the massive-looking structures.

The booths are being erected in four streets, radiating from a central round stand to be occupied by the provincial government.

The construction is taking up 15,000 feet of lumber, 10,000 square feet of wallboard and 2,000 electric bulbs. Each exhibitor will have his name displayed in a translucent sign stretching the whole length of the booth.

The signs made an integral part of the decorative scheme.

Only one half of the floor space has been covered so far, to permit the Canadian Scottish parade this evening. As soon as the hall is clear, work will begin on the other half, and will continue all to-night, all to-morrow and all to-morrow night.

T. H. Zelick, manager of the Tourist Trade Development Association, has moved his office to the Armory and is personally supervising the work.

Falls While After Thieves

While chasing thieves who had been rifling overcoat pockets in the C.P.F. dance hall, Port Street, on Saturday night, James Waller, 2408 Wark Street, plunged through the skylight of the

Waller was the same youth who several months ago pursued two thieves who were ransacking a Quadra Street store, and received a foot kick from one of them when he jumped over a fence.

While attending the dance on Saturday night he saw the youths going through the coat pockets and started towards them. They saw him and ran to the end of the hall, on to the fire escape and then up to the roof. It was

Dorothy Dix

A YOUNG GIRL WHO DESIRES that everyone should hang out the welcome sign at her approach and every face brighten at her coming, asks me to tell her the secret of popularity. I think the answer to that riddle is not hard to guess, but the solution is as simple that most people overlook it.

Popularity mainly consists in being easy to get along with, and that goes for everyone with whom one is brought in contact from the cradle to the grave—parents, husbands and wives, children. The world is so full of humplous people, of cranky people of people whose dispositions are all angles that we have to gumshoe around, that when we meet those who are easy to get along with we clasp them to our breasts with loud cries of joy, and can never get enough of their soothing society.

Who are parents' white-haired children? The good-natured ones who think that Father and Mother know best and never raise ructions in the family circle. Who are the favorite brothers and sisters? Those whose personalities harmonize and who dwell together in peace. Who are the friends we like best? Those with whom we do not always have to be on our P's and Q's. Who are the strangers we take to at night? Those who rub our fur the right way. Who are the husbands and wives whose mates put up with intemperance and philandering and poor housekeeping and a thousand faults? It is those who are easy-going and good-natured and pleasant to live with.

The next element of popularity is adaptability. Undoubtedly the granite characters that never swerve an inch and that nothing can bend from their upright positions are objects of awe and wonder, but nobody wants one of them for a parlor ornament. That is why some of the best people in the world are the most lonesome. They simply don't fit into our lives.

The people we like are those who can slip into any crowd and be one of them; who can share equally well with Julie C. or the Colonel's Lady; and who can apparently enjoy a hot-dog supper as much as they would a state banquet. Snobby people, hard-to-please people, wet-blanket people are never popular.

The next element of popularity is friendliness. You have to like people to have them like you. You never saw a cold, distant, stand-offish person who was popular. We all shy off from them and leave them alone in their frigidities, but we just naturally warm up to those who give us a hearty handshake, who listen sympathetically to our tales of woe and who manifest a genuine heart interest in our affairs. Asking Mrs. Jones how little Johnnie's cough is and inquiring of Mr. Smith how his golf game is progressing will get you farther than the most brilliant line of intellectual conversation.

The next element in popularity is modesty. Don't be a self-appointed oracle. Don't grab the highest seat. Don't put your fingers in other people's pies. Don't try to run the show. If you have talent and executive ability, people will find it out, and they will be a lot more impressed by it if you let them discover it themselves than they be if you try to force it down their throats. There is nothing truer than that the humble shall be exalted, if they deserve it. Every one loathes a braggart, but a man or woman who possesses beauty or talent without conceit is press-agented by all who know them.

The next element in popularity is consideration of others. It is practicing the amenities of life. Making yourself agreeable to strangers. Being courteous and considerate with everyone with whom you deal. Saying pleasant things to people and about people instead of stabbing them to the heart with cruel witticisms. It is taking the trouble to wire a message of sympathy to those in trouble, or write a note of congratulation to those to whom some good fortune has come. It is going to see lonely people and jolly old people, and making the world generally a brighter place because you live in it.

Still another element in popularity is learning to talk less and listen more. It is a fine art to find out when to use the tongue and when to lend the ears. Either one may make you a bore and a pest in society. No one wants a dummy around, neither does one yearn for a monologist. The best that the seeker for popularity can do is to try out the party of the other part and if he or she has no conversation, to talk, but if the aforesaid party of the other part is a flowing stream of words, just to turn on the tap. No people are considered such brilliant conversationalists as those who let others do all the talking.

These are simple rules for attaining popularity, but they will all work. Try them.

Uncle Wiggily's Funny Show

By HOWARD E. GARIS

Uncle Wiggily was proud of a new coat he was wearing one day. But, to tell you the exact truth, which I always try to do, it wasn't really a new coat. It just had new buttons on it, but they made it look quite new.

Also, Uncle Wiggily wasn't too proud of the buttons. He said to himself, "I'm not right to be too proud, you know. Not of anything you wear or anything you do. Being a little proud is all right, but being too proud is silly."

So, as Uncle Wiggily hopped along over the fields and through the woods looking for an adventure, he met Mr. Stubbail. The jolly old bear gentleman, because of his red nose and his white hair, was called Stubbail.

growing, how smart you look Wiggily," said the bear gentleman. "You did grow because he was cross, as I have told you before. Growing was Mr. Stubbail's way of talking, just as grunting is a pig gentleman's way of saying 'Hello'."

TRIED NOT TO BE PROUD

"You, I think I don't look especially smart, Stubby," said Mr. Longears, trying not to be proud.

"Yes, you do. It's that new coat you are wearing," spoke Mr. Stubbail. And when Uncle Wiggily said it wasn't a new coat, though it had new buttons on it, the bear wanted to know where the buttons came from that could make an old coat look new.

"They came from the buttonball tree, or the sycamore, or plum tree, whichever you want to call it. They're all the same," said Uncle Wiggily.

Then he told how the buttons were all bursting off the coat of Mr. Twinstail, the pig gentleman, because Mr. Twinstail was so fat.

"We were out walking," said Uncle Wiggily, "and when I saw a lot of brown seed balls on the ground, I thought they would be fine to sew on the buttons he had burst off. And when I saw how nice the buttonball buttons looked on his old coat I put some on my coat and here they are."

"Mighty nice and stylish, I call them," said Mr. Longears.

"Nothing is easier, Stubby," said the rabbit. "I'll take you to the sycamore tree and you can claw off some button balls and your wife can sew them on your coat and you will look fine."

"Come on," said the bear. So he and Uncle Wiggily went to the sycamore tree, on the branches of which dangled many button balls.

DID NOT SEE BEAR

While they were there the Bob Cat, not seeing the bear, went to Uncle Wiggily, thought he could catch the bunny. So he sneaked up behind him, still not seeing the bear. If the bear had seen him, the strong Mr. Stubbail he wouldn't have dared to try to eat him.

Just as the Bob Cat was going to jump out from behind a bush and get on Uncle Wiggily's back, he saw the bear. Mr. Stubbail reached up to claw down some of the button balls. Now these balls, or seed pods, were run the size of some of the button balls. Now these balls, or seed pods, were run the size of some of the button balls.

"Call Oh!" moved the Bob Cat, seeing them. "Uncle Wiggily is making it snow on me! Oh, I'm afraid of my tail! It will make me catch cold in my tail!" Then, thinking the stuff from the button balls and snow was the Bob Cat, Uncle Wiggily and Mr. Stubbail laughed! Then the bear pulled the same snow buttonballs without breaking them and his wife sewed them on his old coat, making it look like new. And if the cat had seen it, he would have said, "Wax paper?"

German Church Loses Its Rights

Confessional Synod Now in "Subjugation by State," Says Bishop

Berlin, Dec. 2.—Hans Kerl, head of the national department of church affairs, dealt a deadly blow to the Protestant Confessional Synod today by depriving it of all authoritative and administrative rights.

Kerl's action followed his application yesterday of a censorship on the Confessional Synod, preventing pastors from sending communications which have not been approved by him. Bishop Martin Niemöller, announcing he had been informed of the censorship, said the church was being placed in "absolute subjugation to the state."

Kerl had warned on November 28 he would dissolve the Confessional Synod to-day if it did not co-operate with his church committee. The Confessional group asked for eight days in which to answer Kerl's ultimatum.

HOROSCOPE

"The stars incline, but do not compel"

TUESDAY, DECEMBER 3, 1935

Adverse planetary aspects rule today, according to astrology. It is a day to keep one's counsel and to pursue beaten paths.

Disturbing news of some sort may be expected in the early morning. Women will be especially affected. Surprising developments in war agitation are indicated. This is not a fortunate day for women. They should prepare for more strenuous days as the winter advances.

Men in authority are under a sinister rule to-day. They will be severely criticized for some of the decisions they have made. The stars prophesy that closer relations with the United States are pre-destinated for the United States. Overtures of friendship will be received from many European sources.

There is a planetary government that indicates an increased interest in socialistic devices will attract money. Drift of many souls will be of special interest to young men.

Reform efforts will be numerous as scandals in municipal relief and to other departments of government will be uncovered.

Persons whose birthdays it is have the augury of a year of success after many calamities appear in the past year. Secret enemies may be troublesome to many.

Children born on this day probably will be intensely interested in the occult. Subjects of this sign usually have great initiative and real soul.

George Hutchinson Denny, university president, was born on this day, 1870. Others who have celebrated it as a birthday include John Bennett Moore, lawyer and diplomat, 1884, and Cleveland Abbe, meteorologist, 1823.
